Program Details in a nutshell	
Name of the Event	Two day Environmental Conservation Programme on “Rejuvenating the Nature” - Promoting Green Initiative
Nature of the Event	Extension Activity
Objectives	The objective of World Environment Day celebrations is to inspire and empower people to take action to protect the environment and create a sustainable future for all.
Date and Time	05/06/2022 & 06/06/2022
Duration	2 Days
Beneficiaries	Students and Public
Venue or Platform	SSV College
Organizing dept/ Cell	National Service Scheme Unit No. 49
Coordinator	Sri Jebin Jacob and Dr Nisha Unnikrishnan
Associating Agency	Nature Club & PG. Department of Chemistry
Outcome/ Benefit of the Program	The celebration of World Environment Day can have a range of positive outcomes, from increased awareness and behavior change to policy and community action, all leading towards creating a more sustainable and healthier planet for current and future generations.

Program Report

On 5th and 6th June 2022, the NSS unit No. 49 of SSV College organized an extension activity "Rejuvenating the Nature" to celebrate World Environment Day. The activity aimed to raise awareness about the importance of protecting the environment and encourage individuals to take action towards a sustainable future. The event was organized in collaboration with the Nature Club and PG Department of Chemistry. The beneficiaries of the activity were students and the neighborhood community.

Program Description in detail

The event was conducted over two days, 5th and 6th June 2022. On the first day, the event began with a brief session on the importance of protecting the environment and the role of individuals in creating a sustainable future. This was followed by the planting of tree saplings by the students and members of the neighborhood community. The saplings were provided by the Nature Club, and a variety of species were planted, including fruit trees and native species.

On the second day, the participants were involved in the renovation of a bottle garden, which was set up on the college campus. The bottle garden was created using recycled plastic bottles, and it was designed to promote the concept of vertical gardening. The participants cleaned the bottles and refilled them with soil and compost. They also planted a variety of plants, including herbs and vegetables.

The activity was a great success, and it had a positive impact on the participants and the community. The planting of tree saplings helped to increase the green cover in the area, which will have a positive impact on the environment. The renovation of the bottle garden promoted the concept of recycling and reuse of materials, which is essential for creating a sustainable future. The activity also helped to raise awareness among the participants about the importance of protecting the environment and encouraged them to take action towards a sustainable future.

The "Rejuvenating the Nature" activity organized by the NSS unit No. 49 of SSV College had a positive impact on the environment and the community. The activity helped to raise awareness about the importance of protecting the environment and encouraged individuals to take action towards a sustainable future. The collaboration with the Nature Club and PG Department of Chemistry was a great initiative, and it helped to promote the concept of sustainability and environmental protection. The activity was a great example of how individuals and communities can come together to protect the environment and create a sustainable future.

Associating Agency	Yoga Club, SSV College and "Isha Yoga"
Outcome/ Benefit of the Program	The celebration of International Yoga Day can lead to improved physical and mental health, increased awareness and appreciation of different cultures, increased sense of community, increased environmental awareness, and promotion of healthy habits.

Program Report

On June 21st, 2022, the NSS Unit of SSV College organized an extension activity titled "Yoga Technologies for Wellbeing" to celebrate International Yoga Day. The event was held at the PNN Hall of SSV College and lasted for 2 hours from 10.00 am to 12.00 pm. The event was attended by students, teachers, and members of the public.

Program Description

The main objective of the event was to promote physical, mental, and spiritual well-being through the practice of yoga. The event was coordinated by Sri. Jebin Jacob and Dr. Nisha Unnikrishnan from the NSS Unit of SSV College. The Yoga Club of SSV College and “Isha Yoga” also participated in the event.

- The event started with a welcome speech by Sri. Jebin Jacob (Coordinator NSS, SSV College) who introduced the importance of yoga in maintaining physical, mental, and spiritual health. Dr. Nisha Unnikrishnan (Coordinator NSS SSV College) then gave a brief introduction to the different yoga technologies and their benefits.

- The event featured various yoga sessions led by experienced yoga instructors from the Yoga Club of SSV College and “Isha Yoga”. The sessions included asanas, pranayama, and meditation. The instructors explained the correct techniques for each posture and emphasized the importance of breathing and relaxation.

- The event also featured a lecture on the science behind yoga and its benefits for health and well-being. The lecture was delivered by a renowned yoga expert from “Isha Yoga”. The lecture covered the history and philosophy of yoga, the different types of yoga, and the benefits of yoga for physical and mental health.

The event concluded with a vote of thanks by Sri. Ben Paul Varghese (Student Coordinator - NSS, SSV College), who thanked all the participants and the organizing team for making the event a success. The participants expressed their gratitude for the opportunity to learn and practice yoga, and many of them committed to incorporating yoga into their daily lives.

Overall, the event was a great success and achieved its objective of promoting physical, mental, and spiritual well-being through the practice of yoga. The event helped to create awareness about the benefits of yoga and encouraged participants to adopt healthy habits for a better life.

INTERNATIONAL

YOGA DAY

JUNE 21

Yoga is one of the most beneficial routines for both physical and mental health. Yoga can help you reach mental, physical, and spiritual equilibrium by combining attentive body positions with meditation. In fact, it can improve your immunity and resistance to common ailments, as well as reduce tension and worry, which is exactly what you need these days.

International Yoga Day is a significant occasion that is widely observed on June 21st around the world. "Yoga for Humanity" is the subject chosen by the Ministry of Ayush this year. The theme was chosen with the intention of reinvigorating and inspiring the yoga community to work toward sustainability and world development.

PROGRAMME REPORT

The Internal Quality Assessment Cell (IQAC), Unnat Bharat Abhiyan (UBA) and National Service Scheme (NSS), Sree Sankara Vidyapeetom College, Valayanchirangara, Ernakulam and the Cochin University Legal Aid Clinic (CULAC), in its endeavor to spread legal awareness among the community and to analyze, study and provide redress to the grievances faced by resident had, organised a 2-day village halt and public hearing at Airapuram Village on 28.08.2022 and 29.08.2022.

In the two-day programme, the volunteers of CULAC and NSS and UBA, SSV College, along with faculty coordinators worked as a team to disseminate necessary legal awareness among the community and took efforts to provide redressal to the grievances faced by the local community. The volunteers carried out surveys to identify socio-legal issues faced by the residents of AAirapuram village and legal awareness classes were held at the college with active public participation. Further, a public hearing was conducted where the attendees raised several of the issued faced by them and the committee provided appropriate legal advice.

The volunteers of CULAC along with student volunteers of NSS surveyed eighty-one

households in AAirapuram Village. Two pre-identified socio-legal issues, namely 1. Lack of knowledge about government programmes and 2. Problems related to guest labour, were the focus of a survey that was done by volunteers. The survey was conducted to study and analyze the position of these issues in the village. Another survey was conducted in the village to identify problems to be discussed in the public hearing.

Further, on 28-08-2022, a legal awareness class was conducted on the subject of law generally and specifically on the following topics:

1. Domestic violence
2. Child sexual harassment and Child abuse
3. Child marriage
4. Rights of the elderly/senior citizens
5. Dowry Prohibition and Matrimonial Issues
6. Various Government Schemes
7. Helplines and Redressal Mechanisms

There was active public participation and most of the attendees expressed great interest and provided feedback that the classes helped them gain awareness about several legal provisions, government schemes and redressal mechanisms.

On 29.08.2022, a Public Hearing was conducted on the issues identified through the survey conducted by the volunteers. The major issues faced by the villagers were; 1. Lack of awareness about legal aid and, 2. Poor access to welfare schemes and redressal mechanisms.

The Hearing was presided by the three-member committee consisting of:

1. Dr. Binumole K, Faculty Co-ordinator
2. Mr. Babukuttan, Retired Tahasildar and social worker
3. Mrs. Praseela Ashokan, ADS Secretary, Aiarapuram.

In the hearing some of the attendees raised problems about issues such as nuisance, delay in grant of benefits of welfare schemes etc., and the committee provided appropriate legal advice to the aggrieved in order to assist them avail quick redress. The Right to Information Act of 2005 and the rights granted to individuals under the Act were explained to the audience.

Additionally, provisions dealing to the maintenance of parents, wives, and children under the CrPC and other laws were introduced.

INFERENCE

A survey among the villagers about their educational qualification revealed that nearly 86% of them had completed their matriculation.

The major inference from the survey and public hearing is that the residents lacked basic legal awareness and had little interest in becoming cognizant about law and personal rights. Most of the surveyed individuals showed no interest in learning about legal provisions and the redressal mechanisms available and they showed reluctance in answering to the questions related to migrant workers. The survey also pointed that residents faced huge delay in availing benefits of welfare scheme due to complex application procedures and difficulty to follow up on any of their requests or applications.

However, it is important to note that the villagers who attended the class were highly attentive and showed great interest in becoming aware of basic legal provisions and the helpline channels and redressal mechanisms. The resident's association(CARA) expressed their interest in hosting such legal awareness classes to impart legal awareness among the community.

Feedback showed that the attendees had gained cognizance of the several channels and mechanisms available and the services provided by legal services authority and legal aid clinics. The attendees expressed their acceptance towards these instrumentalities and conveyed that they shall approach and make use of the services available to avail remedy.

The camp ended by 5 PM with the valedictory session.

Report on "Sparkling Streets: A Community Cleanup Initiative"

Program Details in a nutshell	
Name of the Event	"Sparkling Streets: A Community Cleanup Initiative"
Nature of the Event	Extension Activity
Objectives	The celebrations of Gandhi Jayanti aim to inspire and motivate people to live a life of simplicity, humility, and service to others, as exemplified by Mahatma Gandhi.
Date and Time	02/10/2022
Duration	One Day
Beneficiaries	Students and the Public
Venue or Platform	SSV College and neighborhood community
Organizing dept/ Cell	National Service Scheme Unit No. 49
Coordinator	Sri Jebin Jacob & Dr Nisha unnikrishnan
Outcome/ Benefit of the Program	The celebration of Gandhi Jayanti can help promote peace, unity, and social harmony in the country, and inspire people to work towards a better future, guided by the principles of Mahatma Gandhi.

Program Report

On 2nd October 2022, the NSS Unit No. 49 of SSV College organized a day-long celebration of Gandhi Jayanti to commemorate the birth anniversary of Mahatma Gandhi. The celebration was held at the college premises and the surrounding neighborhood community, and it aimed to promote the values and principles of Mahatma Gandhi among the students and the public.

Program Description in detail

The event was coordinated by Sri. Jebin Jacob and Dr. Nisha Unnikrishnan, who are Coordinators of NSS, SSV College. The NSS volunteers of the college actively participated in the event and contributed to its success.

The celebration started with a cleaning drive conducted by the NSS volunteers in and around the college premises. The volunteers cleaned the college grounds, the surrounding areas, and the nearby streets, as part of the Swachh Bharat Abhiyan initiative. This activity aimed to promote cleanliness and hygiene among the students and the public and to raise awareness about the importance of a clean environment.

The event also included a speech by the college principal, who highlighted the significance of Gandhi Jayanti and urged the students and the public to follow the principles of Mahatma Gandhi in their daily lives. The principal emphasized the importance of non-violence, truth, and peace in creating a better society.

The Gandhi Jayanti celebration organized by NSS Unit No. 49 of SSV College was a grand success, and it helped promote the values and principles of Mahatma Gandhi among the students and the public. The event also provided an opportunity for the NSS volunteers to contribute to the community and to make a positive impact on society.

Program Report

On the 1st of November 2022, a significant extension activity, titled "Vision for a Brighter Tomorrow," took place at SSV College in Valayanchirangara. The camp, organized by the National Service Scheme (NSS) Unit of SSV College in association with the Ahalya Foundation, Muvattupuzha, aimed at providing comprehensive eye care services and vision assessments to the local community. The event was actively coordinated by Sri Jebin Jacob and Dr. Nisha Unnikrishnan, NSS Program Coordinators at SSV College.

The primary objectives of the Ophthalmology Camp were as follows:

- To provide free eye check-ups and comprehensive eye care services to individuals of all age groups.
- To raise awareness about the importance of regular eye check-ups and eye health among the community.
- To detect and provide early intervention for eye diseases and vision impairments.
- To empower NSS volunteers with practical experience in healthcare and community service.
- To promote collaboration between educational institutions and healthcare organizations for community welfare.

The Ophthalmology Camp began at 10:00 AM and continued until 1:30 PM. The event featured the following key highlights:

- **Registration:** Community members, college students, and volunteers were warmly welcomed and registered for the camp.
- **Vision Assessments:** A team of qualified ophthalmologists and eye care professionals conducted vision assessments, including eye tests, refraction, and intraocular pressure measurements.
- **Eye Health Education:** Educational sessions were conducted to create awareness about the significance of regular eye check-ups, preventive practices, and the importance of early diagnosis.
- **Consultations:** Participants had the opportunity to consult with experienced ophthalmologists who provided expert advice and recommendations based on their individual eye health.

- Distribution of Eye Care Materials: Eye care materials, including information pamphlets and protective eyewear, were distributed to the participants.
- Referrals: Individuals with more complex eye issues were referred to specialist eye care providers for further evaluation and treatment.
- Community Engagement: The camp encourage active participation and community bonding, with individuals and volunteers coming together for a common health-related cause.

The "Vision for a Brighter Tomorrow" Ophthalmology Camp achieved the following outcomes:

- Numerous community members received eye care services, leading to improved vision and early intervention for eye health issues.
- Awareness about the importance of regular eye check-ups and preventive practices was raised among participants.
- NSS volunteers gained practical experience in healthcare, empowerment, and community service, furthering their sense of social responsibility.

Collaboration between SSV College, Ahalya Foundation, and other healthcare organizations was strengthened, creating opportunities for future healthcare initiatives.

The "Vision for a Brighter Tomorrow" Ophthalmology Camp, organized by the NSS Unit of SSV College in association with the Ahalya Foundation, was a resounding success. It left a lasting impact on the community by providing essential eye care services, promoting awareness about eye health, and empowering individuals to take charge of their vision. The event exemplified the spirit of community service and collaboration for a healthier and brighter tomorrow.

Programme Report

On 9th November 2022, a significant extension activity, the "Blood Donation Camp," was organized by the National Service Scheme (NSS) Unit No. 49 UBA and the Blood Donors Club at SSV College, Valayanchirangara. The objective of the camp was to encourage voluntary blood donation and contribute to the critical need for a safe and steady blood supply. The event was conducted in association with the District Hospital in Aluva, Ernakulam. The program was coordinated by Sri Viswan M G, Sri Jebin Jacob, and Dr. Nisha Unnikrishnan.

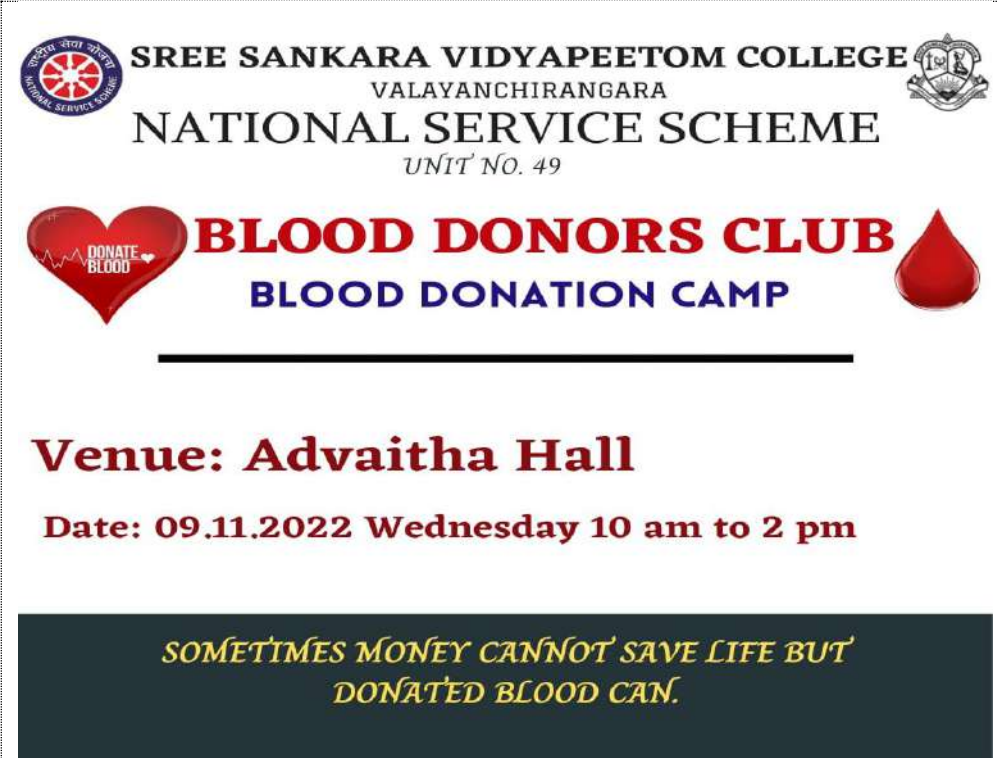

The primary objectives of the Blood Donation Camp were as follows:

- To promote voluntary blood donation and create awareness about its importance in saving lives.
- To encourage students, faculty, and local community members to donate blood.
- To provide a safe and hygienic environment for blood donation, adhering to all necessary protocols.
- To foster a sense of social responsibility among the community members.
- To strengthen collaboration between the educational institution and the District Hospital for community welfare.

The "Blood Donation Camp" conducted by NSS Unit No. 49 and YRCS at SSV College in association with the District Hospital in Aluva, Ernakulam, was a remarkable success. The event showcased the spirit of community service, selflessness, and collaboration, as it provided a valuable contribution to the local healthcare system by ensuring a consistent and safe blood supply. The initiative also highlighted the college's commitment towards society.

Coordinator	Sri. Ajay, Smt. Poornima M P
Outcome/ Benefit of the Program	The Program gives an opportunity to spread awareness about the status of the pandemic and encourage progress in HIV/AIDS prevention, treatment, and care around the world

Program Report

The World AIDS Day was celebrated on December 1st by Department of B.Voc Tourism and Hospitality Management, Sree Sankara Vidyapeetom College, Valayanchirangara in association with YRCS – Youth Red Cross Society, Sree Sankara Vidyapeetom College, Valayanchirangara to raise awareness about HIV/AIDS and show support for people living with HIV.

The event was held at the PNN Hall, SSV College and was attended by 39 people includes Students, Staff and the Public.

The event started with an awareness walk, which involved participants walking through the campus with banners, placards, and red ribbons. The aim of the walk was to spread awareness about HIV/AIDS and encourage people to get tested and seek treatment if necessary.

The seminar session of the event inaugurated by Dr. Sheena Kaimal, Principal In-Charge, SSV College, Valayanchirangara. Followed by that an HIV awareness class was conducted, which provided information about HIV transmission, prevention, and treatment.

The class was facilitated by Mr. Jobins K J, Assistant Professor, Department of B.Voc Tourism and Hospitality Management, Sree Sankara Vidyapeetom College, Valayanchirangara and was attended by 39 people. The attendees were provided with brochures and pamphlets containing information about HIV/AIDS.

A solidarity ribbon distribution activity was conducted, where red ribbons were distributed to participants, and they were encouraged to wear the ribbon throughout the day to show their support for people living with HIV. A photo booth was set up where participants could take pictures with the ribbon and post them on social media with the hashtag #WorldAIDSDay.

The World AIDS Day celebration was a success, with individuals coming together to raise awareness about HIV/AIDS and show support for people living with HIV. The event helped in breaking down the stigma surrounding the disease and encouraged people to get tested and seek treatment if necessary. The Department of B.Voc Tourism and Hospitality Management, Sree Sankara Vidyapeetom College, Valayanchirangara hopes to continue organizing such events in the future to promote HIV/AIDS awareness and support.

Programme Report

Swatch Bharat Abhiyan - Waste Management was held on March 21, 2023, at P. N. Namboothiri Hall, SSV College, Valayanchirangara. The resource person for the event was Mr. Jose Augustine, the Director of Business Development at Green Evo Tech Pvt Ltd, Kakkanad.

The event was organized by National Service Scheme (NSS), Youth Red Cross Society (YRCS), and Swachh Bharath Abhiyan. The coordinators for the event were Dr. Nisha Unnikrishnan, Jebin Jacob, and Smt. Poornima M P. The event started at 10:00 am, and the welcome address was given by Sri. Jebin Jacob, the N.S.S. Program officer. Mr. Jose Augustine then took over and began his talk on waste management. He spoke about the importance of proper waste management and the role it plays in maintaining a clean and healthy environment. He also discussed the various types of waste, their characteristics, and their proper disposal methods.

Mr. Augustine emphasized the need for segregation of waste at the source and the benefits of composting and recycling. He also talked about the role of technology in waste management, such as the use of bioreactors and other innovative solutions. The attendees actively participated in the session and asked several questions, which Mr. Augustine addressed with clarity and expertise. The event concluded with a vote of thanks by Smt. Poornima M P, the YRCS Program Co-ordinator. Overall, the orientation class on waste management by Mr. Jose Augustine was informative and engaging, and the attendees gained valuable knowledge on the topic.

Outcome/ Benefit of the Program	Health Awareness, Early Detection, Access to Healthcare, Education and Empowerment, Preventive Action, Community Engagement, Social Responsibility, Future Awareness etc.

About the Program

A free medical testing camp was organized on 23rd March 2023 by the Unnath

Bharath Abhiyan (UBA), National Service Scheme (NSS), and Youth Red Cross Society (YRCS) in association with Muthoot Snehasraya Foundation at SSV College, Valanchirangara. The purpose of this camp was to ascertain the health status of staff, students, and the public in terms of lifestyle diseases.

The testing camp included blood and urine testing, which are crucial in determining several health conditions such as diabetes, kidney disease, and liver disease. This camp provided the opportunity for the attendees to get their health status checked free of cost. It is a noble initiative by these organizations to promote and encourage the community to stay healthy and aware of their health status.

Program Report

On 5th May 2023, a comprehensive extension activity titled "Cancer Awareness Class & Cancer Detection Campaign" was conducted by NSS Unit No. 49 and the Youth Red Cross Society (YRCS) at SSV College, Valayanchirangara. The program aimed to raise awareness about cancer prevention, early detection, and offer on-site cancer screening services. This initiative was conducted in collaboration with the MBMMH - Karkinos Community Cancer Centre in Kothamangalam. The event was coordinated by Sri Jebin Jacob and Dr. Nisha Unnikrishnan, NSS Program Officers at SSV College.

The primary objectives of the Cancer Awareness Class & Cancer Detection Campaign were as follows:

- To educate the community about cancer prevention, early warning signs, and the importance of a healthy lifestyle.
- To provide free, on-site cancer screenings and check-ups to individuals in the local community.
- To facilitate early detection and intervention for cancer cases, improving treatment outcomes.
- To empower students and volunteers with knowledge about cancer and community service.
- To foster collaboration between educational institutions and healthcare organizations for community well-being.

The event was conducted as follows:

First Session (Cancer Awareness Class):

- **Registration:** The program began with the registration of participants, which included community members, students, and volunteers.
- **Educational Workshops:** Cancer awareness workshops and interactive sessions were conducted by experts from MBMMH - Karkinos Community Cancer Centre. These workshops covered topics like early warning signs, risk factors, lifestyle choices, and the importance of regular check-ups.

- Awareness Materials: Informational pamphlets, brochures, and resources on cancer prevention and healthy living were distributed to the attendees.

Second Session (Cancer Detection Campaign):

- On-Site Screening: A team of medical professionals and technicians from the MBMMH – Karkinos Community Cancer Centre provided free cancer screenings, which included breast examinations, oral cancer screenings, and other relevant tests.
- Consultations: Participants were offered one-on-one consultations with the medical team, where they received personalized advice and recommendations based on their health status.
- Counseling: Psychological and emotional support was available for individuals who required counseling and support after their screenings.
- Referrals: Individuals requiring further evaluation or specialized care were referred to appropriate medical facilities for comprehensive assessments.

The "Cancer Awareness Class & Cancer Detection Campaign" yielded the following outcomes:

- Enhanced community awareness about cancer prevention, early detection, and the importance of a healthy lifestyle.
- Numerous community members received free cancer screenings and check-ups, leading to early detection and intervention for potential cancer cases.
- Empowerment of students and volunteers with practical knowledge in healthcare and community service.
- Strengthened collaboration between SSV College and the MBMMH – Karkinos Community Cancer Centre for future community health initiatives.

The "Cancer Awareness Class & Cancer Detection Campaign" was a resounding success in raising awareness about cancer and providing on-site screenings for the local community. The event exemplified the spirit of community service and collaboration for better health outcomes, potentially leading to early detection and improved treatment for cancer patients. This initiative demonstrated the commitment of SSV College and its partners to community well-being and health education.

Programme Report

On 12th May 2023, the NSS volunteers from Sree Sankara Vidya Peetom College, Velayanchirangara, along with the active participation of Kudumbasree members, initiated a remarkable extension activity for the cleaning and restoration of the Perumchira Reservoir, located in the Rayamangalam Panchayath. The event began at 10:00 AM and featured an inauguration ceremony that was graced by several notable dignitaries:

Sri N.P. Ajayakumar: President of Rayamangalam Panchayath, who delivered the inaugural address and emphasized the importance of community participation in environmental conservation.

Subin N.S: Ward Member of the Rayamangalam Panchayath, who presided over the function and expressed his support for the noble cause.

Sri Jebin Jacob: NSS Program Coordinator at Sree Sankara Vidya Peetom College, who actively coordinated and supported the NSS volunteers in this environmental initiative.

The Perumchira Reservoir, a vital water resource for the region, had been facing issues of pollution and neglect. Recognizing the importance of preserving this natural asset, the NSS volunteers from Sree Sankara Vidya-Peetom College, in collaboration with the dedicated Kudumbasree members, undertook the responsibility of cleaning and restoring the reservoir. The NSS volunteers and Kudumbasree members engaged in an extensive cleaning operation around the Perumchira Reservoir. They removed litter, plastic waste, and other debris that had accumulated in the area over time. To enhance the ecological value of the surroundings, a plantation drive was carried out. A variety of native plants and trees were planted to promote a healthy ecosystem and improve the water quality. In addition to the cleanup, an

awareness campaign was conducted to educate the local community about the importance of keeping the Perumchira Reservoir clean and preserving its natural beauty. Pamphlets and informative sessions were part of this campaign. This collaborative effort between Sree Sankara Vidya Peetom College NSS volunteers, Kudumbasree members, and the Rayamangalam Panchayath serves as a shining example of community-led environmental conservation. The dedication and support of the dignitaries, including the Panchayath President Sri N.P. Ajayakumar, Ward Member Subin N.S, and NSS Program Coordinator Sri Jebin Jacob, were instrumental in the success of this endeavor. Together, they have taken a significant step towards the preservation and restoration of the Perumchira Reservoir, which will continue to benefit the environment and the local community in the years to come.
