ANNUAL ACTIVITY REPORT 2020-21

IQAC stands for the Internal Quality Assurance Cell, which is a unit established in higher education institutions in India to enhance and sustain the quality of education. It is a mandatory requirement for every accredited institution by the National Assessment and Accreditation Council (NAAC). The IQAC ensures continuous improvement in the quality of education and enhances the institution's ability to set and achieve its goals. The main objective of IQAC is to develop a system of conscious, consistent, and catalytic action to enhance the quality of academic and administrative performance of the institution. IQAC functions as a dynamic system for maintaining the quality of higher education and ensures that the institution meets the expectations of the various stakeholders of the institution.

The IQAC will make a significant and meaningful contribution in the post-accreditation phase of SSV College. The IQAC was formulated in our college during the 1st cycle of NAAC Accreditation.

Functions of IQAC

- To develop a system for conscious, consistent, and catalytic improvement in the overall performance of SSV College.
- To Give Significant and meaningful contribution in the post accreditation phase of SSV College.
- To channelize the efforts and measures of SSV College towards academic excellence.
- To promote measures for functioning of SSV College towards quality enhancement through quality culture and best practices.

National Webinar on “The implementation of NEP, Prospects and Problems

Organised by IQAC, SSV College

Date	August 22 nd 2020
Objective	To enhance the understanding of the NEP among educators, policymakers, and stakeholders, including its key features, objectives, and the envisioned transformation in the education sector.
Beneficiaries	248 responses
Outcome	Participants gained a deeper understanding of the NEP, its objectives, and its potential to transform the education landscape in India.

The webinar commenced with opening remarks by Dr. Manusankar C, who highlighted the significance of the National Education Policy in shaping the future of education in India. He emphasized the need for a comprehensive understanding of the policy and its practical implications. Shri T P Sreenivasan, a distinguished former Indian Foreign Service officer, delivered the keynote address. He began by providing an overview of the National Education Policy, outlining its key features and objectives. He discussed the importance of the NEP in fostering holistic development, promoting critical thinking, and preparing students for the challenges of the 21st century.

Shri T P Sreenivasan also delved into the challenges and prospects of implementing the NEP. He emphasized the need for proper infrastructure, trained teachers, and financial resources to realize the policy's vision fully. He discussed the role of technology in education and the importance of adapting to digital learning platforms. Additionally, he touched upon the significance of vocational education and the need for curriculum reforms.

The event highlighted the importance of collaboration among various stakeholders, including government bodies, educators, and civil society, to

ensure the successful execution of the NEP. It emphasized the need for continuous dialogue and adaptation to address the evolving educational landscape in India.

Overall, the webinar served as a platform for meaningful discussions on the future of education in India, and it is hoped that the insights shared during the event will contribute to informed decision-making and positive changes in the education sector.

EXTENSION AND OUTREACH PROGRAMMES

Extension and Outreach Programs exemplify our dedication to serving communities and fostering positive societal change. These transformative initiatives bridge the gap between academic learning and practical implementation, channelling our resources, expertise, and enthusiasm towards addressing critical social issues. From community service projects to advocacy campaigns, our diverse range of programs reflects our commitment to engaging with the wider community and making a meaningful impact beyond the confines of our campus. By nurturing collaborative partnerships, promoting awareness, and empowering individuals, these programs aim to inspire social responsibility, cultivate empathy, and create sustainable solutions that benefit society at large. The Extension and Outreach Programs stand as a testament to our institution's ethos of utilizing education as a catalyst for positive change and shaping a more equitable and inclusive world.
