

Annual Report 2019-20

About the Institution

Sree Sankara Vidyapeetom College, founded five decades ago and named after Sree Sankaracharya, the great visionary, is situated in Irapuram, a remote serene village about 30 kilometers from the sprawling city of cochin. The proximity of Kaladi, the birth place of Adi Sankara, cast a spiritual bearing over the very concept of this situation. Away from towns and traffic-ridden highways, our campus boasts of a perfect learning atmosphere. Set in an environmental bliss, the College has a campus stretching into 18 acres of prime land in these sylvan plain.

The college is managed by The SREE SANKARA TRUST, which was formed in 1965, for promoting higher education in conformity with the ideals propagated by the great saint. The trust is owned and managed by Nambuthiris, the traditional Brahmins of Kerala, known as Keraladwijas in Sanskrit. Authentic history reveals that the Namboothiris, in addition to their Vedic duties, were traditional scholars and teachers. Namboothiri houses in any villages in Kerala were virtual centers of learning where knowledge in fields such as Airbed, Astrology, Architecture, ethics and Mathematics were imparted in gurukula system. Several books on these subjects, authored by Nambuthiris, are still considered and followed as root sources of information in these disciplines. Written on palm leaves, many of these basic works are still preserved at the manuscripts library in Trivandrum. It might have been this tradition which prompted our pioneers to think in terms of floating a trust to

promote higher education in the name of Adi Sankara, who himself was a great teacher.

Being social workers at the grass root level, the founders of the trust, headed by Sri. P.N. Namboodiri, a life long worker of Bharat Sevak Samaj, was importunate in selecting underdeveloped and educationally backward rural areas to launch their institutions. The two other colleges of the Trust are also isolated, far-flung rural areas of Kerala. These points to the commitment of our founders to the cause of rural upliftment.

Thirty five years back, Irapuram was a God-forsaken village of small-time peasants and agricultural labourerstoiling hard for a meager sustenance. Any sort of developmental projects worth its name were unheard of. The absolute lack of commuting facilities made institutions of higher education practically inaccessible to this rural folk. The beginning of Sree Sankara Vidyapeetom College at Irapuram marked a radical improvement in higher education and at the same time prompted a social awakening of multilateral aspects. Thirty-five years after now, though the region remains still industrially and economically stagnant, the presence of the College renders it an ethos of modern times.

History / Milestones

Founder
P.N Namboodiri, Thiruvalla

Sri. P.N. Namboothiri was born in 1917 at Peringaragrama, a village near Thiruvalla in Pathanamthitta Dist. of Kerala. Sri. P.N devoted his whole life for the upliftment of the society was a well-known Gandhian and freedom fighter. He served as the president of

PeringaragramaPanchayath and as a member of Thiruvalla municipal council. He was a lifelong member and chairman of the BharathSevakSamajam, Kerala chapter.

The only factor behind the establishment of Sree Sankara Vidhyapeetom College, Valayanchirangara was the far sightedness and efficient leadership of Sri. P.N. As he understood the necessity of the presence of the Namboothiri community in the field of education, he founded the Sree Sankara Trust. Today the trust has three colleges, schools and several other cultural institutions. Sri. P.N who had been the secretary and chairman of the trust on several occasions was also its lifelong patron and active member.

The new leadership of the trust is moving towards the fulfillment of the dreams P.N had. Sri. P.N wanted to have a hospital, a vocational trading centre and an old age home under the leadership of the trust.

The trust had published a book in memory of Sri. P.N. Namboothiri in the name "Thilodakam". Sri. P.N. Namboothiri who devoted his whole life as spokesman for the values of our nation and humanity and mankind is our inspiration... 'Pranams' at your feet, Gurudev.

Vision and Mission

Motto

The Upanishad Mantra (in Sanskrit) (Thamaso ma jyothir gamaya -Lead me from the darkness of ignorance to the Light of knowledge) is the motto of our College.

Vision

Our Vision is to provide quality education that raises the aspirations of our learners and enable them to achieve their goals..

Mission

To propagate Value based Education based on Vedic culture and to inculcate National Heritage to the student community and ultimately to the society as a whole.

To update society with modern technological innovations and provide knowledge and personnel for developmental needs. To cater to the educational needs of a wide variety of students coming from various streams of the society especially downtrodden.

Principal's Message

Dear Students, Alumni and Friends,

It is a great pleasure and honor to welcome you to Sree Sankara Vidyapeetom College, (re accredited with NAAC 'A' grade) under the Sree Sankara Trust, affiliated to Mahatma Gandhi University, Kottayam. I am indeed proud of my long standing association with the College and to lead an institution away from the din and dust of the town.

This is a good college with a group of very talented and efficient teachers and staff who set high standards and expectations for their wards. Much care has been taken to include and celebrate the diversity and uniqueness of everyone within one roof of the college. We care about our young students, keeping the priority to always make sure of their safety and happiness which are essential for a congenial learning environment.

2020 is a crucial year with the pandemic Covid-19, yet with much care and responsibility we are encountering and enduring the situation in a more practical and effective way so as to continue with our vision and mission of education. All faculty members adapted themselves with the new mode of online teaching without imposing much stress and strain to our students. Our academic standards continue to improve every year and we value the opportunities and achievements of each student who become part of this institution. We also have an extensive package of extra-curricular activities to help both academic and social experiences, taking learning beyond the classroom.

Wishing all good luck..

Dr. Padma P.
Principal

Editor's desk...

I extend my heartfelt thanks to all the departments, clubs and committees for the timely contributions of their activity reports without which the making of this newsletter is absolutely impossible. Even in this horrible pandemic period we could make out in a satisfactory way a newsletter including all the activities conducted by various departments, clubs and committees. I thank all the Heads of Departments, Club Coordinators and Coordinators of various Committees for their timely contributions and support.

Thanking you

Dr. Geetha A.N

A GLIMPSE OVER DEPARTMENT ACTIVITIES

In spite of the covid pandemic, all the departments of this institution could organise and conduct various programs for the students as well as the faculty in a meticulous way making maximum use of the several online platforms.

DEPARTMENT OF PHYSICS

1. An online photography competition with theme “Covid 19 & Lock down” was held on 2nd 2 May 2020.
2. Online quiz programme on the topic “Energy Consumption” was held in the month of May 2020 and e- certificate was provided for those who acquired above 60% marks.

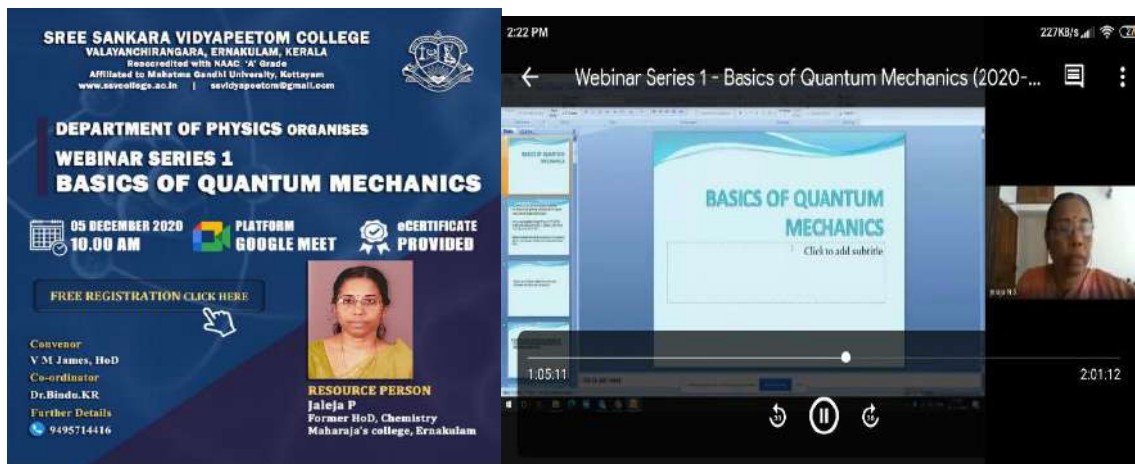

3. As a part of the Online Onam Fest 'Aaravam 2k20', Dept of Physics conducted an online intercollegiate drawing competition 'Sarga' and Intercollegiate Solo Singing Competition 'Dhwani' on 4th September 2020. In the drawing competition Snehalekshmi S of Sree Sankaracharya University of Sanskrit, Kalady and Yadukrishnan P.G of Sree Sankara College Kalady secured first and second prize respectively. In the Solo Singing Competition first and second prize winners are Sreya K Raj, from Union Christian college and Adithya Krishna from SSV College, Valayanchirangara.

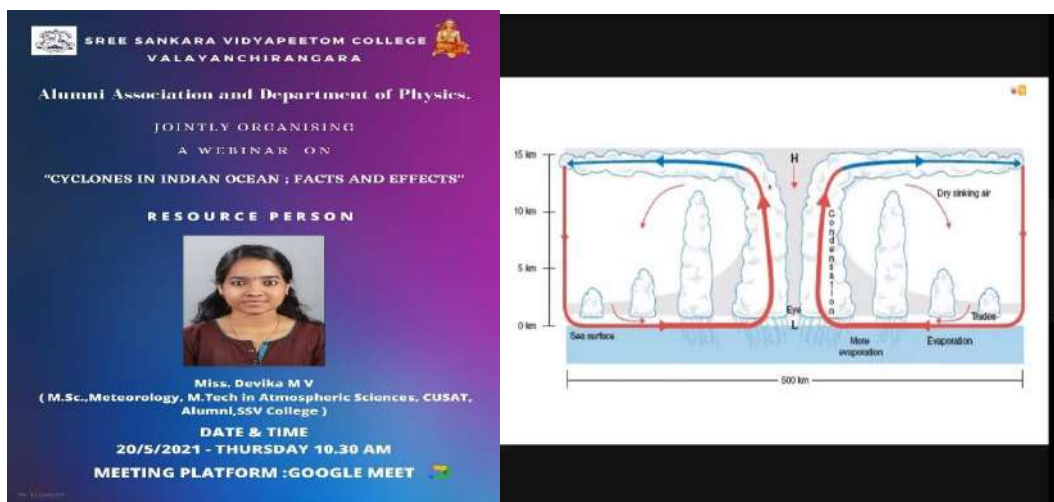

4. Virtual Inauguration of Physics Association was held on 16-11-2020. The Chief Guest of the ceremony was Mohandas Mukundan, Chief Manager, OEN India Ltd. Welcome speech was given by V.M.James, Head of the Department of Physics, College principal Dr. Padma P who presided over the function delivered presidential address. Chief Guest rendered a talk on 'Artificial Intelligence and Future of Mankind'. Vote of thanks was given by Physics Association Secretary Amal K Vinod.

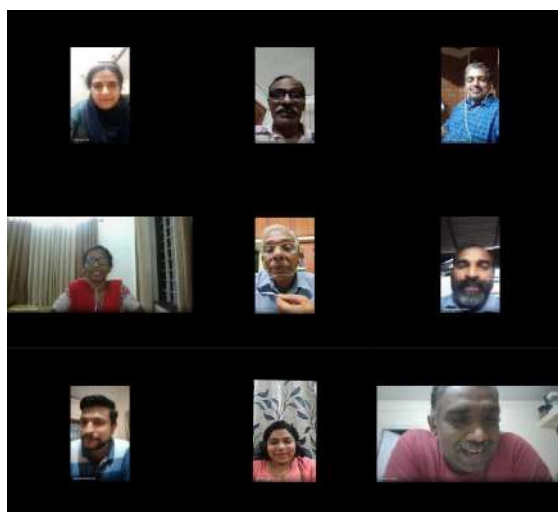

5. A Webinar on the topic 'Basics of Quantum Mechanics' was conducted on 5-12-2020. Resource person was Jaleja.P, retired Head of the Department of Chemistry, Maharajas college. Dr. Bindu K.R. rendered welcome address to the virtual gathering. College Principal Dr. Padma. P inaugurated the program and vote of thanks was given by Devika P Unni, Joint Secretary of the Physics Association.

6. Dept. of Physics, in association with College Alumni Association conducted a Webinar on the topic “Cyclones in Indian Ocean: Facts and Effects” on 20/05/2021. Miss Devika M.V (MSc Meteorology, MTech in Atmospheric Sciences (CUSAT) also Physics alumni conducted the class. The program was presided by College Principal Dr.Padma.P. Welcome speech was by Dr. Bindu K.R. Alumni president Adv. N Arun and secretary Adv.KR Sunil Kumar delivered felicitations. Alumni coordinator Dr.Resmi K.R delivered the vote of thanks.

8. An Online Alumni Meeting of Dept. of Physics was held on 28/5/2021 at 7pm. 80 alumnae attended the meeting. All retired teaching and non-teaching staff attended the gathering. It was a memorable event even at the covid pandemic period.

7.A webinar on the topic “Puzzles and Paradoxes in Physics” was conducted on 26/5/2021 at 10.30am. Felicitation was rendered by Dr. Geetha A.N, Dept. of English. The resource person was Dr. N. Shaji, Rtd. Professor in Physics, Adjunct Faculty, Physics, CUSAT.

Particles are prepared in a single spin state
total spin = 0 (which is conserved)
If the electron is measured with spin \uparrow (z), and indeed,
the other is always measured with its spin down = \downarrow (z) itself.
The correlation is 100%.

PG DEPARTMENT OF CHEMISTRY

Despite Covid Pandemic situation, our PG Department of Chemistry tried its best to help students as well as the faculty to cope with the pandemic, face it and of course challenge it.

A CHALLENGE TO COVID-19 BY THE PREPARATION OF HAND SANITIZER

The pandemic Covid 19 has created panic among people and the normal life is very badly affected. It is our duty to defend this corona on a war footing basis and give awareness classes among people. In response to the spread of the Corona (Covid 19) disease worldwide, the PG Department of Chemistry combined with PTA, Youth Red Cross Society (YRCS) of Sree Sankara Vidyapeetom College, Valayanchirangara, prepared alcohol-based hand sanitizer in many stages for the prevention of this disease. The prepared sanitizer was distributed among the staff and students of the college and is kept in all the common places of our college like examination halls, library, office etc.

Glimpse on the making and distribution of hand sanitiser

Distribution

During the Covid-19 pandemic time University exams had to be conducted and of course there was a wide spread and urgent need of disinfecting the classrooms and college surroundings before conducting the examination. The PG Dept of Chemistry, SSV College and Youth Red Cross volunteers, extended their help to disinfect the college premises and also the benches and desks of each class rooms. Later the classrooms along with the benches and desks were again re-sanitized after the exam in order to ensure the safety of the students.

3. WORLD ENVIRONMENT DAY CELEBRATIONS 2020

The PG Department of Chemistry organized The World Environment Day celebrations on 12th June 2020. The purpose of the celebration is to protect our environment by reducing the production and usage of the toxic substances that are supposed to be responsible for environmental pollution.

Pencil Drawing Competition and Essay Writing Competition were held in connection to the World Environment Day

The theme of Pencil drawing was Nurture the Nature and about fifteen students participated in the competition.

For the Essay Writing competition the theme was Impact of COVID 19 on Environment. About twenty students participated in it.

The participants who secured first and second prizes were given cash prizes and E-certificates.

4. CHEM ONAM CELEBRATION -2020

The Post Graduate Department of Chemistry have celebrated Onam, the festival that allows us to exhibit our vast cultural heritage and rich variety for all the Keralites who celebrate it with much vigour than any other festival. Onam, a unique festival of its kind is celebrated by a complete State, irrespective of religion, caste, and creed. The Chem-Onam Celebrations were held on the 5th of September 2020 amidst great cheer and the cultural extravaganza witnessed an appreciable participation even in the middle of the COVID-19 pandemic. We aimed at bringing the blend of culture, tradition, and history. The cultural programs included Onapaattu, Malayali Manka, Pookkalam design, etc and many took part in the various competitions held. Those who secured first places in the cultural programs were given cash prizes.

5. OZONE DAY CELEBRATIONS 2020

The PG Department of Chemistry, Sree Sankara Vidyapeetom College, Valayanchirangara, celebrated the Ozone Day that reminds about the signing of the Montreal Protocol on substances that depletes the Ozone Layer. The ozone day celebrations were held on 16th September 2020 in which students showcased their talents on creativity and innovation. Logo designing and speech competitions were conducted in relation to this

The participants who secured first and second prizes were given cash prizes and E-certificates.

Post Graduate Department of Commerce

P.G Commerce association was inaugurated by Adv. E U Jijobal. He also enriched our students with a seminar on “Cyber Crime”. About 170 students participated in the seminar. HOD Prof. K N Raju, Prof. K N Sasikumar, Dr Vinitha A S, Dr Reshmi R, Mrs. Remya and Prof. Narayana Sharma rendered felicitations.

Event: Finance Education Workshop

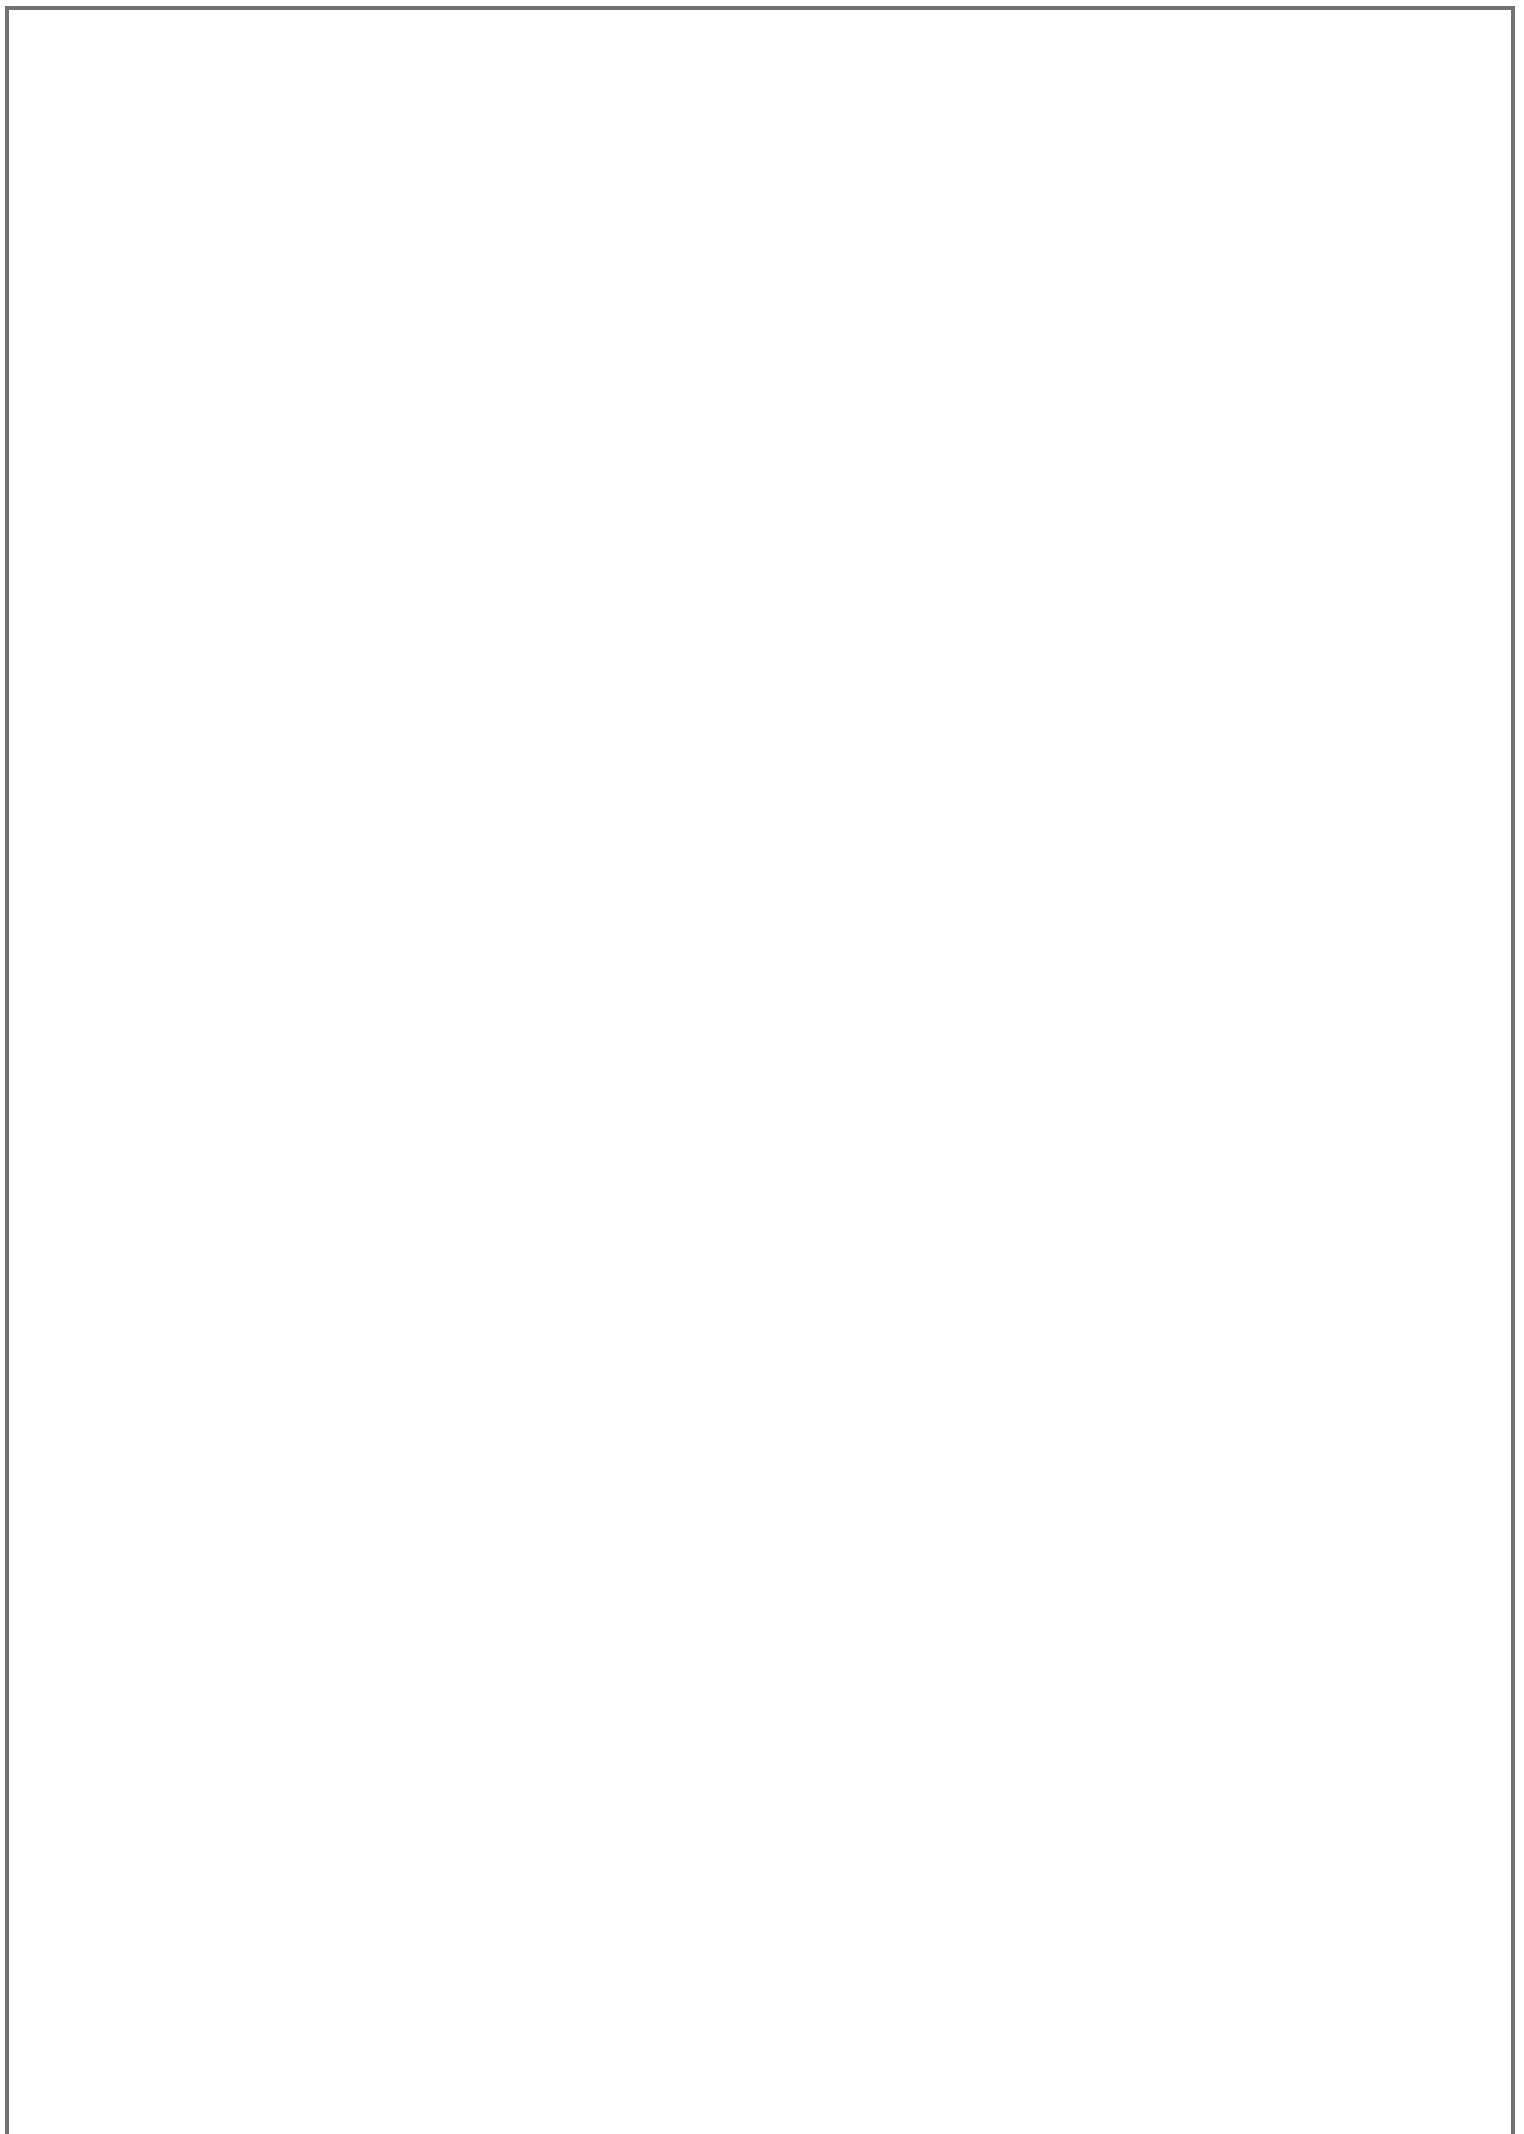

Date: 29th August 2019

Venue: P N Namboothiri Seminar Hall

Finance Education workshop was organised by SEBI in association with PG Department of commerce. The Resource person who took the workshop was Dr. Reji M. A, Rtd. Principal, St. Peters College Kolenchery. Post Graduate students of M. Com and International

Business participated in the workshop.

ALUMNI ASSOCIATION ACTIVITIES

Alumni Association of Sree Sankara Vidyapeetom College has always been pioneering and motivational to the campus since its inception. Various activities have been organized department wise as well as at college level during the academic year 2020-21 as a part of “ENRICHING THE CAMPUS” program. The college campus remained closed during the academic year 2020-21 due to Covid-19 pandemic restrictions. All the academic and non-academic activities were shifted to digital platforms and online gatherings. Yet these pandemic restrictions could never slow down the pace of alumni activities in the campus.

The Alumni association of Sree Sankara Vidyapeetom College has organized various online programs and activities during the academic year 2020-21.

Commerce Alumni Association

Commerce Alumni Association conducted an open forum on the topic “BEING A STUDENT ALWAYS” as a part of observance of World Students Day on October 15, 2020. The resource person was Sri. Varghese Joy, Asst. Professor, Rajagiri College of Social Science. He is also an alumni of S.S.V College

YOGA DAY

2020-2021

International Yoga Day was observed as directed by Mahatma Gandhi University due to pandemic conditions. We followed the University's recommendations and participated in their online programmes. Yoga club was partnered with the History department and participated in their

webinar, 'Virtuwell,' at the close of the academic year in May 26,2021. It was a Google Meet live session with the Doctor.

Message from Manager's desk...

Dear students, parents, staff and well-wishers...

I am proud to pen a few words in this Newsletter which has profoundly focussed on various programmes and activities even in the background of covid pandemic. We should all know one thing that its all our attitude that brings change around us. Building positive attitude in one can make great changes. In this institution I am sure students get education holistically-physiologically, cognitively and psychologically. Present day students are definitely the resources of tomorrow. Let us all try to grow the best that is worthwhile for the whole human kind. I shower by blessings for all good ventures that the students and staff bring forth for the glory of this institution.

Best wishes...

Manager's Message

Dear Students, Alumni and Friends,

I am extremely happy to express myself through the Sree Sankara Vidyapeetom website which is an endeavour to convey the ideas, innovations and zeal about the college to the public in general and to all associated with it in particular. I am sure that this college not only renders knowledge.

Wishing all good luck..

RTI

The Right To Information Act 2005 was passed by the parliament on 15th June 2005. The Act mandates that organizations defined as “Public Authorities” are obliged to provide information to the public and create necessary arrangements in order to promote transparency and accountability in the working of every public authority.

The Right to Information Act, 2005 (22 of 2005) has been enacted by the Parliament and has come into force from 15 June, 2005. This Act provides for right to information for citizens to secure access to information under the control of public authorities in order to promote transparency and accountability in the working of every public authority. All Universities and Colleges established by law made by Parliament or by State Legislature or by notification by the appropriate Government or owned, controlled or substantially financed directly or indirectly by funds provided by the Government shall come within the meaning of a Public Authority under this Act.

Whereas, some provisions of this act have come into effect immediately on its enactment (that is on 15 June 2005), other provisions shall come into effect on 100 / 120 days of its enactment.

2.3.1

The college has adopted several student centric programmes for the holistic development of students. Students make active participation in seminars, debates, quizzes, competitions and enhance their experiences.

Experiential and Participatory Learning

Students are encouraged to participate in :

1. seminar and group discussions
2. field works and industrial visit
3. individual and group projects and dissertations
4. paper presentations and publications
5. self-study courses
6. skill development courses
7. ICT enabled assignments
8. various competitions like quizzes, debate, essay writings, creative competitions and projects
9. practical courses (laboratories), which are compulsory in certain courses
10. drama, art, theatre, role play
11. Film making
12. NSS camp
13. Socio – economic surveys
14. Peer teaching
15. Demonstration using ICT tools
16. Language lab
17. Fairs and exhibitions
18. Internships
19. Case study method

Each department implements different learning techniques including problem -based enquiries, project –based enquiries, case study based enquiries and technology –based enquiries. Also, most of the departments have conducted skill development webinars and workshops to enable students to acquire a skill which can help them to become financially independent. Students are also provided proper guidance to learn about issues in the contemporary times, such as floods, the pandemic, environmental issues etc.

Student centric Problem Solving Methods

Students have to submit

1. Compulsory Project / dissertation in Semester IV in Post Graduate Courses
2. Compulsory Project / dissertation in VI Semester Under Graduate Courses

3. Attend and present seminars, Power Point Presentations
4. Present and publish papers
5. Home assignments
6. Regular test papers

Co- Scholastic Learning Activities

According to varied interests of students, they can participate in co-curricular activities, skill development activities, art festivals, creative competitions, problem solving competitions, field visits, games, sports etc.

OPPORTUNITIES TO CONTRIBUTE TO THE SOCIETY

Apart from these activities, students are also made responsible for organizing webinars, academic and cultural programmes and workshops. They are given simple problems or questions to clarify concepts. The teachers help students not only to score good marks, but also mold them into leaders. Students are also encouraged to work on magazines of various departments. To make them socially responsible, they were motivated to involve in rescue operations and volunteering activities during the floods of 2018 and 2019, and during the Covid 19 pandemic, as part of Youth Red Cross Society, NSS and Kerala Voluntary Youth Action Force (KVYAF). The students receive practical experiences to solve problems, develop skills as well as to emerge as future leaders.

2.3.2

The college has several ICT enabled classes in most of the departments. These classes have projectors and the entire campus has high speed wifi internet connection. To enhance the teaching learning process, the faculties use ICT enabled tools for teaching as well as interacting with students. The department of computer science is keen in providing periodic training programmes to the faculty for effective usage of ICT resources.

The following tools are used by teachers:

1. Desktop computers are arranged in all departments and college office
2. Printers are installed in departments and college office
3. Photocopier machine is available in the college library
4. Scanners are available along with printers in all departments
5. There is a seminar room equipped with digital facilities
6. Smart Boards and Smart Projectors are made available in the campus for better delivery of curriculum both online and offline
7. Online classes through Zoom, Google Classroom, Google Meet, WhatsApp and Telegram
8. Digital Library facility is made available using N-LIST and DSpace together with Google Classroom is used to provide resources to the students.

Use of ICT by Faculties:

1. All teachers use GSuite to manage classes. Teachers post audio lectures, reading materials, Powerpoint presentations, test papers, assignments, and quizzes on the Google Classroom page set for each paper.
2. Teachers use Google Meet and Zoom applications for live classes and interactions.
3. Google Calendar is used to schedule classes and webinars.
4. Google Slides are also used to create PowerPoint presentations.
5. Google Forms is used to create quizzes and assignments.
6. Google Jamboard is used as an online board where the teacher can write, draw etc during live sessions.
7. To improve effectiveness of classes, teachers use pictures, tables and animations in PPTs.
8. Audio lectures, reading materials, notes, programme notices etc are shared through WhatsApp and Telegram.
9. Students are trained in problem solving skills through online platforms. Webinars and workshops on skill development are organized by various departments through Google Meet and Zoom applications.
10. Faculties also use Google Meet, Google Forms etc to conduct webinars and competitions

3.2.1

Recognising the necessity of fostering innovation and entrepreneurship among student community and to kindle the entrepreneur skills of students, Sree Sankara Vidyapeetom College has started several initiatives.

Institution's Innovation Council (IIC) registered under the Ministry of Education (MoE), Government of India was established in the year 2018 in our college. From inception itself IIC of our college has organised various activities prescribed by MoE to inculcate the ideas of innovation and entrepreneurship among faculty and students. The major activities conducted in this regard by IIC include

- Seminars and workshops on topics such as **Entrepreneurship Development Skills, Entrepreneurship and Innovation as Career Opportunity, National Innovation and Start-up Policy, entrepreneurial development, Start-ups, Intellectual property rights, patent filing.**
- Interactive sessions/mentoring sessions with **Innovation and Start-up Ecosystem Enablers, Start-up Founders.**
- Impact lecture series on the topics **Start-up: Ideas, Opportunities and Funding, Start-up Journey Issues and Challenges.**

- Motivational talks with **successful women entrepreneurs and start-up founders.**
- Orientation sessions by Institution Innovation Cell ambassadors for faculties and students.
- Orientation session by Kerala Start-up mission on **Start-up Eco System, Business Incubation, Patent Support Scheme and Interventions.**
- Field visit to **Kerala Start-up Mission, Kerala Technology Innovation Zone, Kinfra, Kalamassery, Ambadimala Water Supply Project of Chottanikkara Panchayath, Ernakulum, Milma,Ernakulam**

Apart from the self-driven activities, faculties and students of the college have actively participated in MIC driven activities such as **leader ship talks, KAPILA: Kalam Program for IP Literacy and Awareness, Toy –Hackathon.**

Institution Innovation Council of Sree Sankara Vidyapeetom College has bagged 3 star rating in the IIC 1.0 period (2018-2019) and was the only Arts and Science College in Kerala to receive 3 star rating in IIC 1.0 evaluation period. The same star rating was maintained in the IIC 2.0 period (2019-2020) and in the academic year 2020-2021, IIC 3.0 period our college has secured 3.5 star rating(the highest grade awarded being 4.0). Three faculties of IIC have successfully completed basic level Innovation Ambassador training Programme and one faculty has completed advanced level Innovation Ambassador training Programme and currently four faculty members of IIC serve as Innovation Ambassadors to mentor students and faculty in the areas of innovation and entrepreneurship

Entrepreneurship Development Club (EDC) was officially formed with the registration and recognition of District Industrial Centre, Ernakulum on 07/04/2016. The ED club of our college has organised exhibitions, Onam and Christmas fairs which has provided a platform for students to recognise and present their marketing skills. Training programmes on bag making, chekkutty doll making, paper files, and seed pen were conducted by EDC in association with District Industrial Centre, Kunnathunad.

Innovation and Entrepreneurship Development Centre (IEDC) was registered under Kerala Start-up Mission and started functioning in our college from 20/11/2020 with the objective of providing opportunities to students and faculties to collaborate, transforming ideas to viable products and also for setting up incubation centre in our college. The IEDC of our college has 254 student members and 2 students of our college has participated in the Innovation Catalyst workshop organised by Kerala Start –up mission.

3.4.1

The students of the college engage in societal issues, and organize street plays, rallies and webinars. They took part in activities related to Health and hygiene, Gender sensitization, emergencies, environmental consciousness and values. Various commemorative days, weeks and fortnights were celebrated because it increases awareness of students towards society. Extension activities during COVID pandemic is being carried out online through webinars for all stakeholders, encompassing diverse social topics. They have made students more aware and

responsible. Students have participated in the webinars by planning and anchoring, adding to their holistic development.

NSS volunteers organized 'plant a tree challenge', and planted trees at their home as a part of the environmental day celebration. In collaboration with Youth Red Cross society the SSV college volunteers undertook the sanitization work at college. Thousand masks were prepared and distributed as a part of 'Kaithaangh' programme.

NSS volunteers conducted online quiz on Hiroshima Nagasaki day on 6th august 2020. To create an awareness among students on Aids, an AIDS Day awareness program was organized on December 1st 2020. NSS Volunteers celebrated and organized Independence day, teacher's day, National Unity day, and National legal service day.

The students are coming up with new ideas and ways to reach out to the community. The college gives them every opportunity to explore all ways of helping the community.

4.2.1

Sree Sankara Vidyapeetom College Library initiated its function since the very inception of Sree Sankara Vidyapeetom College in 1967. The library has a collection of above 25700 books, 15 print journal subscriptions, about 15 periodicals and e resources through N List. The library is attached with Sree Sankara Cultural Study Centre consisting of the collection based on Sree Sankara Acharya And his philosophy. It is also provided with Rare book Collections and competitive exam preparatory collections. The library became computerized in 2008 with Grandhasoft software and later in 2012 the software was changed to Ocsca version 1. First updation was done in 2015 and since then Ocsca version 2 was being used. Now in 2021 the third version Enlight 3 is being used which is fully automated. All the books are bar coded which facilitates fast services. The library provides reprographic facilities, reference services, Network Resource Centre Services, issue-return services etc and hence makes sincere efforts to serve the user community.

5.3.2

Students have representatives in various academic and administrative bodies of the college. There are student representatives in the IQAC in order to ensure the proper functioning of the body for the betterment of the students too. The college union is responsible for conducting and coordinating events like union inauguration, Arts day, and Annual athletic meet. Student representation is also there in various statutory and non-statutory bodies like SC/ST monitoring cell, Anti ragging cell, Antinarcotic cell, Antisexual harassment cell, Counselling Cell, women's forum, National Service Scheme, Youth Red cross society, Career guidance and placement Cell etc. SC/ST monitoring cell functions to ensure the well

being of students belonging to the SC/ST students. The Anti ragging cell with the participation of students and teachers takes measures to prevent ragging and ragging related issues. While anti sexual harassment cell ensures safe environment for girl students at college, the women's cell addresses other issues of the girl students, and counselling helps the students to understand their various issues and guide them to resolve them. Anti narcotic cell named Vimukthi, National Service Scheme and Youth Red cross society are the bodies through which the students through various means serve the society in a committed and responsible way. The students devotedly organize and execute various programmes in connection with national and international days such as environment day, human rights day, AIDS day etc.

6.1.1

Our college is named after the legendary seer Jagadguru Adi Sankaracharya who was a towering personality with scientific outlook. He strived to master the universe through acquisition of knowledge (jnana) which is the passage for realisation of supreme reality. Sankara throughout his life struggled to comprehend the Upanishad Mantra (in sanskrit) "Thamaso ma Jyothirgamaya" (Lead me from the darkness of ignorance to the Light of knowledge) and we consider this as motto.

Our Motto

"Thamaso ma Jyothirgamaya"

Vision: Our Vision is to provide quality education that raises the aspirations of our learners and enable them to achieve their goals.

Mission: · To propagate Value Education based on Vedic culture and to inculcate National Heritage to the student community and ultimately to the society as a whole.

To update society with modern technological innovations and provide knowledge and personnel for developmental needs. · To cater to the educational needs of a wide variety of students coming from various streams of the society especially downtrodden. Being an institution, brought up by a community of Kerala Brahmins, who gave birth to the inimitable visionary, Adi Sankara, it was quite natural that we have formulated our first mission statement viz. "To propagate Value Education based on Vedic culture and to inculcate National Heritage to the student community and ultimately to the society as a whole". We have an organisation, named Sree Sankara Cultural Study Centre which seeks to fulfil this vision. The location of our institution, in a remote rural village of Ernakulum District, led to the development of another mission statement viz. "To cater to the educational needs of a wide variety of students coming from various streams of the society especially downtrodden". The statistics of admission, which shows that the majority of the students are economically and socially marginalised, substantiate the fulfilment of this mission. And finally, we are helping the society with knowledge and personnel for developmental needs.

The college is governed by the Sree Sankara Trust. The Management, Principal, Staff Council, IQAC and faculty members along with other stakeholders work together to strengthen and fulfil institutional Vision and Mission. The shared governance aims to establish, uphold and communicate the vision, mission and the core values. The Principal is advised by the Managing

Committee and supported by internal academic bodies and staff council. Management designs strategic plans with the inputs of IQAC, Planning forum and other stakeholders. The departments prepare the Action plan based on the guidelines given by IQAC to provide quality education, ensure job opportunity and effective support services for the students. HODs are responsible for initiating and implementing policy decisions within the department in tandem with the stated college mission. Staff meetings are conducted regularly which helps in the academic growth and progress. Association activities, seminars, workshops, conferences, and innovative teaching methods are practiced in the departments. NSS, Unnat Bharat Abhiyan Cell, SC/ST Monitoring cell, Internal Complaint cell, Counselling Centre, Grievance and various other cells and clubs also function with operational autonomy.

As part of the institutional decision-making process, faculty has the opportunity to design learning tools and conduct of internal assessment within the framework of teaching plan. The faculty members coordinate and supervise the involvements of students in various extra and co-curricular activities and also promote research culture. Thus, every member of the institution is oriented to understand the institution's vision, of their own roles and the specific actions to realise the vision.

Doctors' Consultation facility

Counselling facility

Celebration of festivals like Onam, Christmas, etc.

Honoring of teachers acquiring higher academic qualifications by PTA and Management

National Pension Scheme

6.5.1

- Organised a Lockdown Survey to understand the problems and prospects of online teaching and learning.
- Organised a One-week FDP on G Suite for Education from 27 th May 2020 - With sparse physical classroom engagements, many institutions have migrated to the online mode. In these circumstances the need for training and quick adaptation of suitable methods is critical. The aim of the programme was to help academicians to gather the requisite skills to be able to plan, design, and deliver their courses online.
- A video -tutorial and online training for students was launched on June 1 st 2020, regarding how to make use of online platforms for learning. Based on the lockdown survey it was identified that the students faced various problems regarding online class. Many students were not having facility to attend class in online mode. To resolve the issue with online class, more recorded classes were provided. Teachers also uploaded recorded class in YouTube. Also, on the recommendation of IQAC the PTA of the college purchased mobile phones and distributed to financially backward students.
- Organised a National Webinar on “The implementation of NEP, Prospects and Problems on August 22 nd , 2020.
- One week webinar series on “Rejuvenating the quality within” organised by IQAC and NAAC Steering Committee
- A new generation PG Programme (MSc. Computer Science with Data Analytics) was introduced in the year
- Various M o Us and accounts were opened in the year to facilitate online teaching and learning.
- Technical support was provided to all to departments for organising online courses and programmes in collaboration with PG Department of Computer Science.
- An Online Introductory Course on Open-Source Tools for Instructional Scaffolding was organised on continuous basis in collaboration with PG Department of Computer Science. 315 participants were successfully certified under this programme
- An Online Short Term Course on “Extrapolations through the Extraordinary: Broadening Perspective on Magic and Magicality” was organised in association with MG University and in academic collaboration with International Society for Folk Narrative Research from 14 th to 18 th December 2020.
