Introduction

Welcome to the IQAC Annual Report for the year 2021-22! This report is a window into the journey of our Internal Quality Assurance Cell (IQAC) throughout the past year, highlighting our efforts, accomplishments, and contributions to the continuous improvement of our institution.

In the pursuit of academic excellence and quality enhancement, the IQAC plays a pivotal role as the driving force behind our institution's quest for improvement and innovation

Within these pages, you will find a detailed overview of the various activities and projects undertaken by the IQAC, all aimed at elevating the standards of education, research, and administrative practices. It outlines our commitment to quality culture, best practices, and the development of a nurturing environment for our students and faculty.

As we reflect on the year gone by, this report not only celebrates our achievements but also identifies areas where we have made progress and areas where further efforts are required. It showcases the collaborative spirit of our institution, the dedication of our staff, and the aspirations we hold for the future.

We invite you to delve into the IQAC Annual Report 2021-22, a testament to our relentless pursuit of excellence and our unwavering commitment to delivering the best educational experience to our stakeholders. It is our hope that this report will not only inform but also inspire, fostering a sense of pride and shared responsibility for the continued success and growth of our institution

Composition of IQAC

	Name of the Faculty	Position
1	Dr. Padma P	Chairperson
2	Sri. Krishnan	Management Representative
3	Dr. Resmi R	Coordinator
4	K V Neelakandan	Sr. Administrative Officer
5	Dr. Poornima R	Member
6	Dr. Manusankar. C	Member
7	Sri. Lijo Johny	Member
8	Dr Anoop V	Member
9	Dr. Sreekala Sharma	Member
10	Dr. Suchitra A	Member
11	Sri. Anup Jain M.J.	Member
12	Adv. N. Arun	Alumni and Local body Representative
13	Dr. P. Dileep (Asst.Director, Rubber Park, Ekm)	Industry Representative
14	Kum. Vismitha G Nair (I M.Sc. Chemistry)	Student Nominee

I. STUDENT PROFILE

Our pride lies in the diverse and talented student body excelling across academic disciplines, showcasing solid commitment to excellence. Beyond academics, our students display remarkable athletic expertise, achieving praise at regional, national, and international levels, representing our dedication to a holistic educational experience. We champion academic pursuits through scholarships, empowering students to pursue their aspirations. Leveraging strong industry ties, our institution secures remarkable placement opportunities, enabling students to excel professionally. Overall, our students embody resilience, achievement, and dedication, contributing to our legacy of academic and athletic excellence, affirming our commitment to nurturing holistic growth for future success of our College

Faculty Development Programme on NAAC Revised Framework

Organised by IQAC

Date	17th August 2021
Objective	<ol style="list-style-type: none">1. To equip the faculty members regarding the revised NAAC Framework and the accreditation process2. To make the members aware about the metrics of evaluation
Beneficiaries	Faculty Members
Outcome	The faculty members were able to gain awareness regarding the revised NAAC Accreditation process.

A workshop on the NAAC revised framework was organized by the Internal Quality Assurance Cell of Sree Sankara Vidyapeetom College with an aim to inform and educate higher education professionals and stakeholders about the new guidelines and criteria on 17th of August 2021. The session was organized in hybrid mode. Most of the participants were present in the college, the programme was organized in online mode also, since there were Covid 19 restrictions in some areas.

The workshop covered various topics, including the structure and components of the revised framework, the assessment and accreditation process, and the role of stakeholders in the evaluation process.

The workshop was beneficial for the faculty members and other higher education professionals who are responsible for the quality of education in their institutions. By attending the workshop, participants were able to gain a better understanding of the evaluation process, the requirements for accreditation, and how to prepare for the accreditation process. 102 faculty

members from within and outside the college participated in the workshop.

The workshop started with the welcome address by the IQAC Coordinator, Dr. Resmi R. The Principal of the College Dr. Padma P presided over the inaugural session. The workshop was inaugurated by Rtd Principal and the current Administrator of Sree Sankara Trust Prof R Krishnakumar. The session was felicitated by the superintendent of the College Sri. Neelakandan K.N. Prof. Jayan, Retired Professor and Head of the Department of Physical Education, also the former IQAC Coordinator of the college detailed the revised framework of NAAC to the participants. Later in the evening session a panel discussion was also organized including the coordinators of the seven NAAC Criteria. All the metrics of the revised NAAC framework were discussed in detail in the session.

Brochure/ Poster

The poster is for an event organized by the Internal Quality Assurance Cell (IQAC) of Sree Sankara Vidhyapeetom College, Valayanchirangara, Airapuram. The event is a 'ONE DAY FACULTY DEVELOPMENT PROGRAMME' titled '"NAAC REVISED FRAME WORK"'. It is scheduled for August 17, 2021, at 10 am. The platform for the event is Google Meet. The convenor is Dr. Resmi R (Co-ordinator, IQAC), the principal is Dr. Padma P (Principal, ssv college), and the co-ordinator is Anoop Jain (Joint co-ordinator, IQAC). The poster features the college logo in the top left and a small image of a deity in the top right.

National Level Faculty Development Programme on Research in Academics

Organised by IQAC

Date	21st September 2021
Objective	<ol style="list-style-type: none">1. To enhance the skills of academicians to write a quality research paper.2. To impart knowledge regarding the review process of different journals.3. To help them to select the right journal for publication
Beneficiaries	Faculty Members and Research Scholars
Outcome	The participants were equipped with the skills of writing a standard research paper and getting it published in a top-rated journal.

Programme Report in Detail

Academicians need to have a thorough understanding regarding the research design, data management techniques and statistical tools. But knowledge regarding how to make your paper worth for a top-rated journal and how to publish is equally important. This FDP is designed to address the faculty and equip them with the basic skills to publish in top rated journals.

Objectives of the FDP was to

- To enhance the skills of academicians to write a quality research paper
- To impart knowledge regarding the review process of different journals.
- To help them to select the right journal for publication

FDP was designed to train and motivate the faculty to engage in research activities in a meaningful manner. The session was handled in online mode through Google Platform. The first session of the day was handled by Prof. Dr. P. Ramalingam. He covered the basics of research and the process involved in it. He explained that the process of research involves identifying a research question, conducting a literature review, formulating a hypothesis or research objectives, collecting, and analyzing data, and drawing conclusions or making recommendations based on the findings. He also detailed the involvement of a variety of methods, such as quantitative, qualitative, and mixed-methods approaches in research.

The next session was handled by Dr. Girish S Pathy. He explained the academic writing with special reference to the case study method of writing. He described the case study method which focuses on a specific phenomenon, event, or situation, and examines it in detail with examples. Case study research can contribute to theory building by providing empirical support for existing theories or generating new hypotheses and models. The detailed analysis of a case can provide insights into the underlying processes and mechanisms that drive the phenomenon being studied.

The final session was handled by Dr. Hareesh Ramanathan. He explained the importance of publishing for the academic community. Publish or Perish is the current era's Slogan. He explained the ways in which quality of publishing can be achieved by the academicians.

Brochure

assignment at Valeuoliste U Pozegł, Pozegł, Croatia. His area of expertise is in the field of marketing research, Consumer behavior, Data analysis and the like. A social as well as a sports enthusiast and hence passionately associating with many NGOs, IGCs and Sports clubs.

3. Dr. Girish S Pathy is a Ph.D. in management. He has completed Post Graduation and has 2 years industry experience and 9 years in academics.

Specialised in Marketing, his specific area of research is Cultural aspects of Consumer Behaviour. He is also involved in Placements, Training and Corporate Relations since the beginning of his academic career.

How to Register

The institutions/ participants have to register for the programme using the google form link mentioned below

About SSV

Sree Sankara Vidyapeetom College (SSV), founded five decades ago and named after Sree Sankaracharya, the great visionary, is situated in Irappuram, a remote serene village about 30 kilometers from the sprawling city of Cochin. The proximity of Kozhikode International Airport and the birth place of Adi Sankara, cast a positive beam over the very concept of this institution. Away from towns and traffic-clogged highways, our campus boasts of a perfect learning atmosphere. Set in an environmental bliss, the College has a campus stretching into 18 acres of prime land in these urban plains.

The college is managed by The Sree Sankara Trust, which was formed in 1966, for promoting higher education in conformity with the ideals propagated by the great saint. Being social workers at the grass root level, the founders of the Trust, headed by Sri P.N. Parakkal, a fellow worker of Bharat Sevak Samiti, was impetuous in selecting underdeveloped and educationally backward rural areas to launch their institutions. The two other colleges of the Trust are also situated in far-flung rural areas of Kerala. These points to the earnestness of our founders to the cause of upliftment.

About the programme

Academics need to have a thorough understanding regarding the research design, data management techniques and statistical tools. But knowledge regarding how to make your paper worth for a top-rated journal and

how to publish is equally important. This FDP is designed to address the faculty and equip them with the basic skills to publish in top rated journals.

Objectives

- To enhance the skills of academicians to write a quality research paper.
- To impart knowledge regarding the review process of different journals.
- To help them to select the right journal for publication.

Target Group

Faculty Development Programme (FDP) is designed to train and motivate the faculty members from Universities, Arts and Science, Engineering College and polytechnic college.

About Resource Person

1. Dr. L.P. Ramalingam is an active & dynamic academician and researcher. He worked as a Principal and Head of the Research Centre in Commerce of Sree Narayana Vidyapeetham for 23 years. He has been interested in the field of research and teaching. He had been awarded Ph.D. Degree in Commerce during the year 2007 by the Bharat Harsard University and approved as a Research Supervisor during 2010. Under his able guidance, 18 Ph.D. has been awarded within a short span of 10 years. His area of

research is in motivating scholars and faculties for doing research and publication of research papers. He has almost 40 publications in national and international journals under his credit. He is also an awardee of Minor Research Project by University Grants Commission. In addition, he has an experience of 10 years in administrative position. He is an Assessor in National Assessment and Accreditation Council (NAAC).

2. Dr. Hareesh N Ramanathan

is a Doctoral Degree holder in Management who is enthusiastic about business analytics and research. A certified expert in the field of analytics, by IBM and Liberty for various analytical platforms. An acclaimed trainer and teacher in the field of analytics and research methods who had conducted many talks and workshops in India and abroad to benefit the research fraternity.

An approved Ph.D. guide who has got around 50 indexed journal publications to credit and presented many research papers in international and national conferences in India and abroad. One of the authors of the book "Statistical Methods for Research - A step by step approach using IBM SPSS". A recipient of European Union ERASMUS+ fellowship for international teaching and undertake short term international teaching -

International Webinar on Intellectual Property Rights

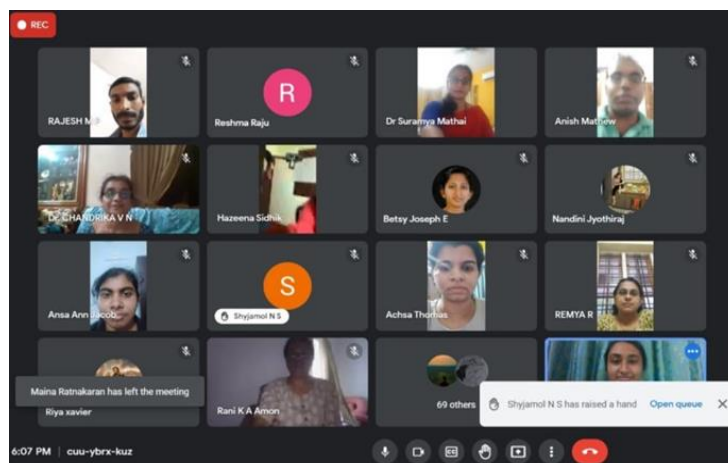

IQAC, Sree Sankara Vidyapeetom College and IQAC of Titus II Teachers College Tiruvalla in association with Inter University Centre for IPR Studies, Cochin University of Science & Technology

Date	11/09/2021
Objective	The objective of the webinar on IPR (Intellectual Property Rights) is to educate and raise awareness on the importance of protecting one's intellectual property. The aim is to enable participants to understand the value of their intellectual property and how to protect it, whether they are individuals or organizations.
Beneficiaries	201 faculty members and research scholars
Outcome	The participants gained awareness regarding intellectual property rights and its use to the academic community.

The international webinar on Intellectual Property Rights jointly organised by IQAC of Titus II Teachers College Tiruvalla and Sree Sankara Vidyapeetom College, Valayanchirangara along with Inter University Centre for IPR Studies, Cochin University of Science & Technology, was conducted on Saturday (11-09-2021) via Google meet platform. The Inaugural Session started at 9:30 am with a prayer song by Achsa Mariam Thomas from Titus II Teachers College, followed by the Welcome Speech by Dr. Suramya Mathai (Assistant Professor & IQAC Coordinator, Titus II Teachers College). The session was inaugurated by Dr. M Bhasi (Director, Inter- Centre for IPR Studies, CUSAT). Sir highlighted the significance of understanding IPR. Dr. Sunila Thomas, Associate Professor and IQAC Coordinator and the Principal, SSV College, Valayanchirangara felicitated the meeting. Vote of Thanks for the inaugural session was proposed by Dr. Resmi R (IQAC Coordinator, SSV College).

The 1st session was handled by Dr. Marisport A (Assistant Professor of Law, Gujarat National Law School) on the topic “Introduction to IPR & Copyright” from 10 - 11 am. The guest of honor was welcomed by Vyshakan P & Vote of Thanks was proposed by Vindhuja Vijayan both from Titus II Teachers College. The 2nd session from 11am - 12pm was led by Dr. Anson C J (Assistant Professor, Inter- Centre for IPR Studies, CUSAT) welcomed by Achsa Mariam Thomas & Vote of Thanks by Akshaya K of Titus II Teachers College respectively. The topic was “Trademark & IP Commercialisation.” Adv. Manu S Nair (Vice Chair, High Value Opportunities Corporate Development, Mayo Clinic USA) took the 3rd session from 5 - 6 pm on the topic “Patent & Design” who was welcomed by Rani Elizabeth John & proposed Vote of Thanks by Reshma Elizabeth Raju. The webinar was a grant success which was successfully coordinated by Dr. Suramya Mathai (Assistant Professor & IQAC Coordinator, Titus II Teachers College) & Dr. Reshmi R (IQAC Coordinator, SSV College). Feba Mary Sabu & T J Nandhini (Titus II Teachers College) beautifully compared the function. YouTube live streaming of the program was going parallel to the Google meet which was handled by the IQAC team of SSV College. E- certificates were also provided to the participants.

Five Days National Faculty Development Programme on Research Methodology

Date	26 th September 2021 to 30 th September 2021
Objective	To enhance the research capabilities and methodological expertise of the participating members. The program aims to provide a comprehensive understanding of various research methodologies, tools, and techniques, equipping participants with the knowledge and skills necessary to conduct high-quality research in their respective disciplines.
Beneficiaries	201 academicians and research scholars
Outcome	Participants will emerge equipped with an enhanced understanding of diverse research paradigms, advanced skills in research design, proficiency in data collection and analysis, a heightened awareness of ethical considerations, and the ability to develop comprehensive research proposals. They will be adept at conducting thorough literature reviews, fostering collaborative research endeavours, and effectively utilizing resources.

Five Days National Faculty Development Programme on Research Methodology was conducted from 26th to 30th September 2021. The focus of the program was to inculcate research culture in academicians and research students. On the first day, the programme started at 5.30 am and the Chief guests of the inaugural session were Dr. Pradeep Kumar Singh, Assistant Professor, Bharatidasan Government College for Women,

Puducherry and Dr. Vineeth K. M., Assistant Professor in Commerce, Govt. college Thripunithura and Research supervisor, Mahatma Gandhi University. The session was started with the silent prayer followed by welcome address by Dr. Resmi R., IQAC Co-ordinator, SSV college. The president of the session was Dr. Padma P, Principal, S.S.V College. Chief guest, Dr. Pradeep Kumar Singh inaugurated the programme. After the inaugural address, Dr. Vineeth K. M. gave a brief introduction about the program followed by felicitations by Dr. Geetha A. N., Senior Faculty member, Department of English and Academic in charge, SSV college. Inaugural session was concluded with vote of thanks by Dr. Sreedevi K, Research committee co-ordinator, SSV college.

The first technical session of the FDP started at 6.00 P. M. The session was handled by Dr. Pradeep Kumar Singh on the topic “Introduction to Research: Philosophy to Practice”. Smt. Poornima M. P., HOD, Department of Chemistry introduced the speaker to the participants. Sri. Viswan M. G., Programme coordinator and Assistant Professor in Commerce proposed the vote of thanks for the session.

The second technical session of the FDP was held on 27-9-2021 at 6.00 P. M. The session was handled by Dr. Vineeth K. M. on the topic “Problem formulation and review of literature”. Dr. Suchitra A., Department of Commerce introduced the speaker to the participants. Smt. Anitha A. R., Department of Commerce proposed the vote of thanks for the session.

The third technical session of the FDP was held on 28-9-2021 at 6.00 P. M. The session was handled by Dr. Vineeth K. M. on the topic “Measurement, Scaling and Questionnaire Design”. Dr. Suchitra A., Department of Commerce introduced the speaker to the participants. Smt. Anitha A. R.,

Department of Commerce proposed the vote of thanks for the session.

The fourth technical session of the FDP was held on 29-9-2021 at 6.00 P. M. The session was handled by Dr. Vineeth K. M. on the topic “Data Analysis using Jamovi”. Dr. Prathibha P. H., Department of Computer Science introduced the speaker to the participants. Smt. Sumaja Sasidharan, Department of Computer Science proposed the vote of thanks for the session.

The fifth technical session of the FDP was held on 30-9-2021 at 6.00 P. M. The session was handled by Dr. Vineeth K. M. on the topic “Academic writing”. Smt. Remya R., Department of Commerce introduced the speaker to the participants. Smt. Radhika Lal, Department of History proposed the vote of thanks for the session.

The fifth session was followed by the valedictory session which started at 7.00 P.M. The session was presided over by Dr. Padma P, Principal, S.S.V College. Dr. Sudhakaran K. M., Syndicate M. G. University, Kottayam and HOD, Department of Political Science, was the chief guest of the session. Vote of thanks of the session was proposed by Dr. Anoop V., Assistant Professor and Administrative co-ordinator, SSV college, Valayanchirangara.

201 academicians and research scholars participated in the five-day faculty development programme via google meet as well as YouTube live.

FIVE DAYS NATIONAL FACULTY DEVELOPMENT PROGRAMME ON RESEARCH METHODOLOGY

Faculty Development Programme Overview

Research methods and data analysis are an essential part of Social Science research. In today's modern world, data analysis plays an important role in effective decision making process. In this regard, the FDP will be covering the areas of problem formulation, literature review, academic writing, questionnaire design and data analysis using Jamovi.

Target Audience: Faculty members, Research scholars and Students
Certificate: Participants successfully completing the FDP will be provided with e-certificate.

About The Collaborating Colleges

Sree Sankara Vidyapeetom College, named after the great saint philosopher Sree Sankaracharya, was founded in 1967. The college is managed by the Sree Sankara Trust, which was formed in 1965 for promoting higher education in rural areas in conformity with the ideas propagated by Jagad Guru Adi Sankaracharya. The college affiliated to M. G university and has been re-accredited by NAAC with A grade in 2016.

Government College, Tripunithura, was established in the year 1982. The college is affiliated with Mahatma Gandhi University. The college aims at instilling in young minds a culture of excellence and a passion to conquer new frontiers. The motto of the college being 'Amritham tu Vidya' (Knowledge Bestows Immortality), it envisions the pursuit of knowledge for the benefit of humanity.

Online Motivational talk "Athijeevanam" "Survival"

Organised by IQAC

Date	October 2 nd 2021
Objective	The primary objective of the program was to offer an opportunity to engage with Ganesh Kailas, a positive trainer and motivational speaker, who shared his profound perspective on the importance of mental strength over physical limitations.
Beneficiaries	68 Staff
Outcome	This event not only contributes to the fostering of a positive and supportive environment within the college but also serves as a beacon for future initiatives that celebrate the triumph of the human spirit.

The Department of Physical Education at Sree Sankara Vidyapeetom College, in collaboration with the Internal Quality Assurance Cell (IQAC), hosted an inspiring session titled **Survival** featuring Mr. Ganesh Kailas. The virtual session, held on October 2, 2021, through Google Meet, was designed to provide participants with insights into the transformative power of a positive mindset, drawing inspiration from Ganesh Kailas' remarkable journey

Objective:

The primary objective of the program was to offer participants, including faculty members, students, and staff, an opportunity to engage with Ganesh Kailas, a positive trainer and motivational speaker, who shared his profound perspective on the importance of mental strength over physical limitations.

The session opened with a warm welcome by Mr. Anup Jain, the head of the Department of Physical Education, expressing gratitude for the collaboration with IQAC and introducing Ganesh Kailas..

Drawing from his experiences, Ganesh Kailas emphasized the power of a positive mindset, urging participants to focus on mental strength rather than physical limitations. The interactive nature of the session allowed participants to engage in a meaningful dialogue with Ganesh Kailas, creating a dynamic and enriching atmosphere.

Ganesh Kailas emphasized the profound impact of a positive mindset in overcoming challenges, emphasizing that mental strength is often more influential than physical abilities.

Participants learned about the importance of resilience and determination in the face of adversity, drawing inspiration from Ganesh Kailas' own journey of triumph. Practical strategies for staying motivated and maintaining a positive outlook in both personal and professional aspects of life were also discussed by him. The session facilitated an interactive dialogue, allowing participants to seek insights and advice directly from Ganesh Kailas, creating a unique and engaging learning experience.

The Interaction with Ganesh Kailas proved to be an extraordinary and transformative experience, aligning perfectly with the college's commitment to holistic development. The Department of Physical Education and IQAC extend their heartfelt appreciation to Ganesh Kailas for his inspiring contribution and to all participants for their active involvement.

This event not only contributes to the fostering of a positive and supportive environment within the college but also serves as a beacon for future initiatives that celebrate the triumph of the human spirit. Ganesh Kailas' story serves as a powerful reminder that, indeed, "Mind Matters, Not the Body," and that a positive mindset can be the catalyst for extraordinary achievements.

<i>Deeksharambh-Student Induction Programme</i>	
<i>Organised by PTA and IQAC of SSV College</i>	
Date	7th -13th October 2021
Objective	
Beneficiaries	First year UG and PG Students
Outcome	

Day 1-07/10/2021Deeksharambh-2021, Student Induction programme was conducted from 7th to 13th October 2021. The focus of the programme was to include various online sessions which will promote physical, mental and academic well- being of the first-year students. On the first day, the programme started at 9.30 am and the Chief guest of the inaugural session was Dr. P Vinod Bhattatirippad from Cyber Forensics. The session was started with the prayer followed by welcome address by Smt. Sumi K.S, PTA Secretary. The president of the session was Dr. Padma P, Principal, S.S.V College. Chief guest, Dr. P Vinod Bhattatirippad inaugurated the programme followed by felicitations by Adv. N. Arun, Alumni Association President, Smt. Ammukutty Sudharsan, P.T.A. Vice president and Sri. K.V Neelakandan, S.S.V College Office Superintendent. Inaugural session was concluded with vote of thanks by Sri. Anup Jain M.J, HoD, Department of Physical Education. After the inaugural session, there was a video demonstration to familiarize the students about various departments, clubs, forums, cells and laboratories of the college. Students could know and acquaint with the college campus in an online mode through this video. Soft skill development programme on the day started at 10.45 am. The resource person for the session was Hariraj Vijayakumar, Founder and C.E.O, NWORX. Forenoon session ended by 11.45 am. Department Orientation started at 2pm which was led by H.O.D and teachers of the corresponding departments. In this session, students were given an awareness about the curriculum, activities and programmes related to the department. Almost 160 students attended the programme via google meet as well as YouTube live. Department of Chemistry was in charge for the day.

Day 2- 08/10/2021

PG Department of History and Department of Physics oversaw the second day sessions of Deeksharambh. The second day of Deeksharambh started at 9 am, with college prayer by Akhila I S, III DC History. For the first session, Ashil Murali, II PG History, welcomed the gathering. Prof Anup Jain, Department of Physical Education, SSV College, delivered lecture on Introduction to Physical Education and Gym Facilities. Meera Murali, II PG History, conveyed vote of thanks and the session got over by 9.40 am.

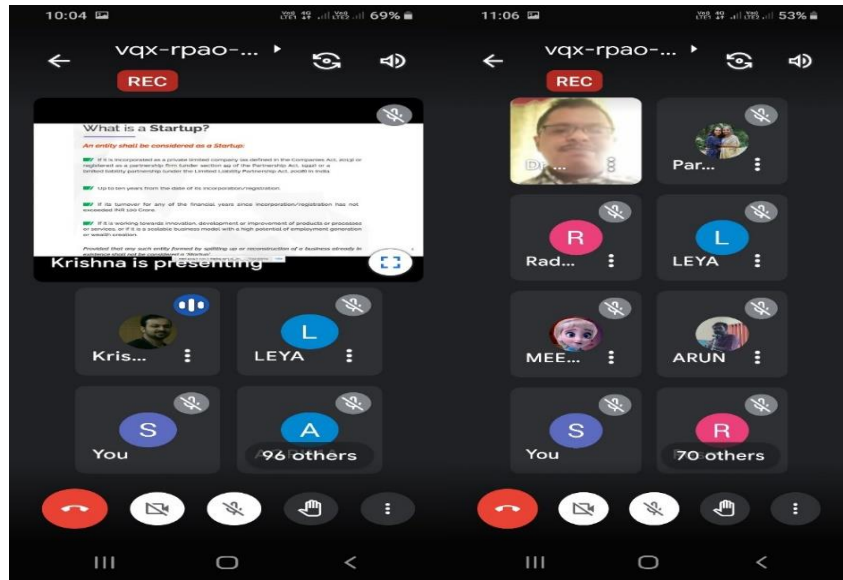

For the second session at 10 am, Anupama Upendran, II PG History, welcomed the speaker of the session, Mr Krishnakumar M, Business Lead, Kerala Start-up Mission. He gave lecture on the topic, Start-up: Opportunities and Challenges. Meera Murali, II PG History, delivered vote of thanks and the session ended by 11 am.

For the third session at 11.05 am, Leya Aby, III DC History, welcomed the speaker of the session, Dr M H Ramesh Kumar, Assistant Professor in History and NSS Programme Officer, Maharajas College to deliver talk on Towards Carbon Neutron Kerala: Some Reflections. Agrima K M, III DC History, delivered vote of thanks and the session ended by 12.10 pm

The afternoon session started at 2 pm and Hasna K M, III DC Physics

welcomed the speaker, Dr Vasudevan Namboothiri, Former Principal, SSV College. Anupama Shaju delivered vote of thanks and the session ended by 4 pm.

—Day 3 - 09/10/2021

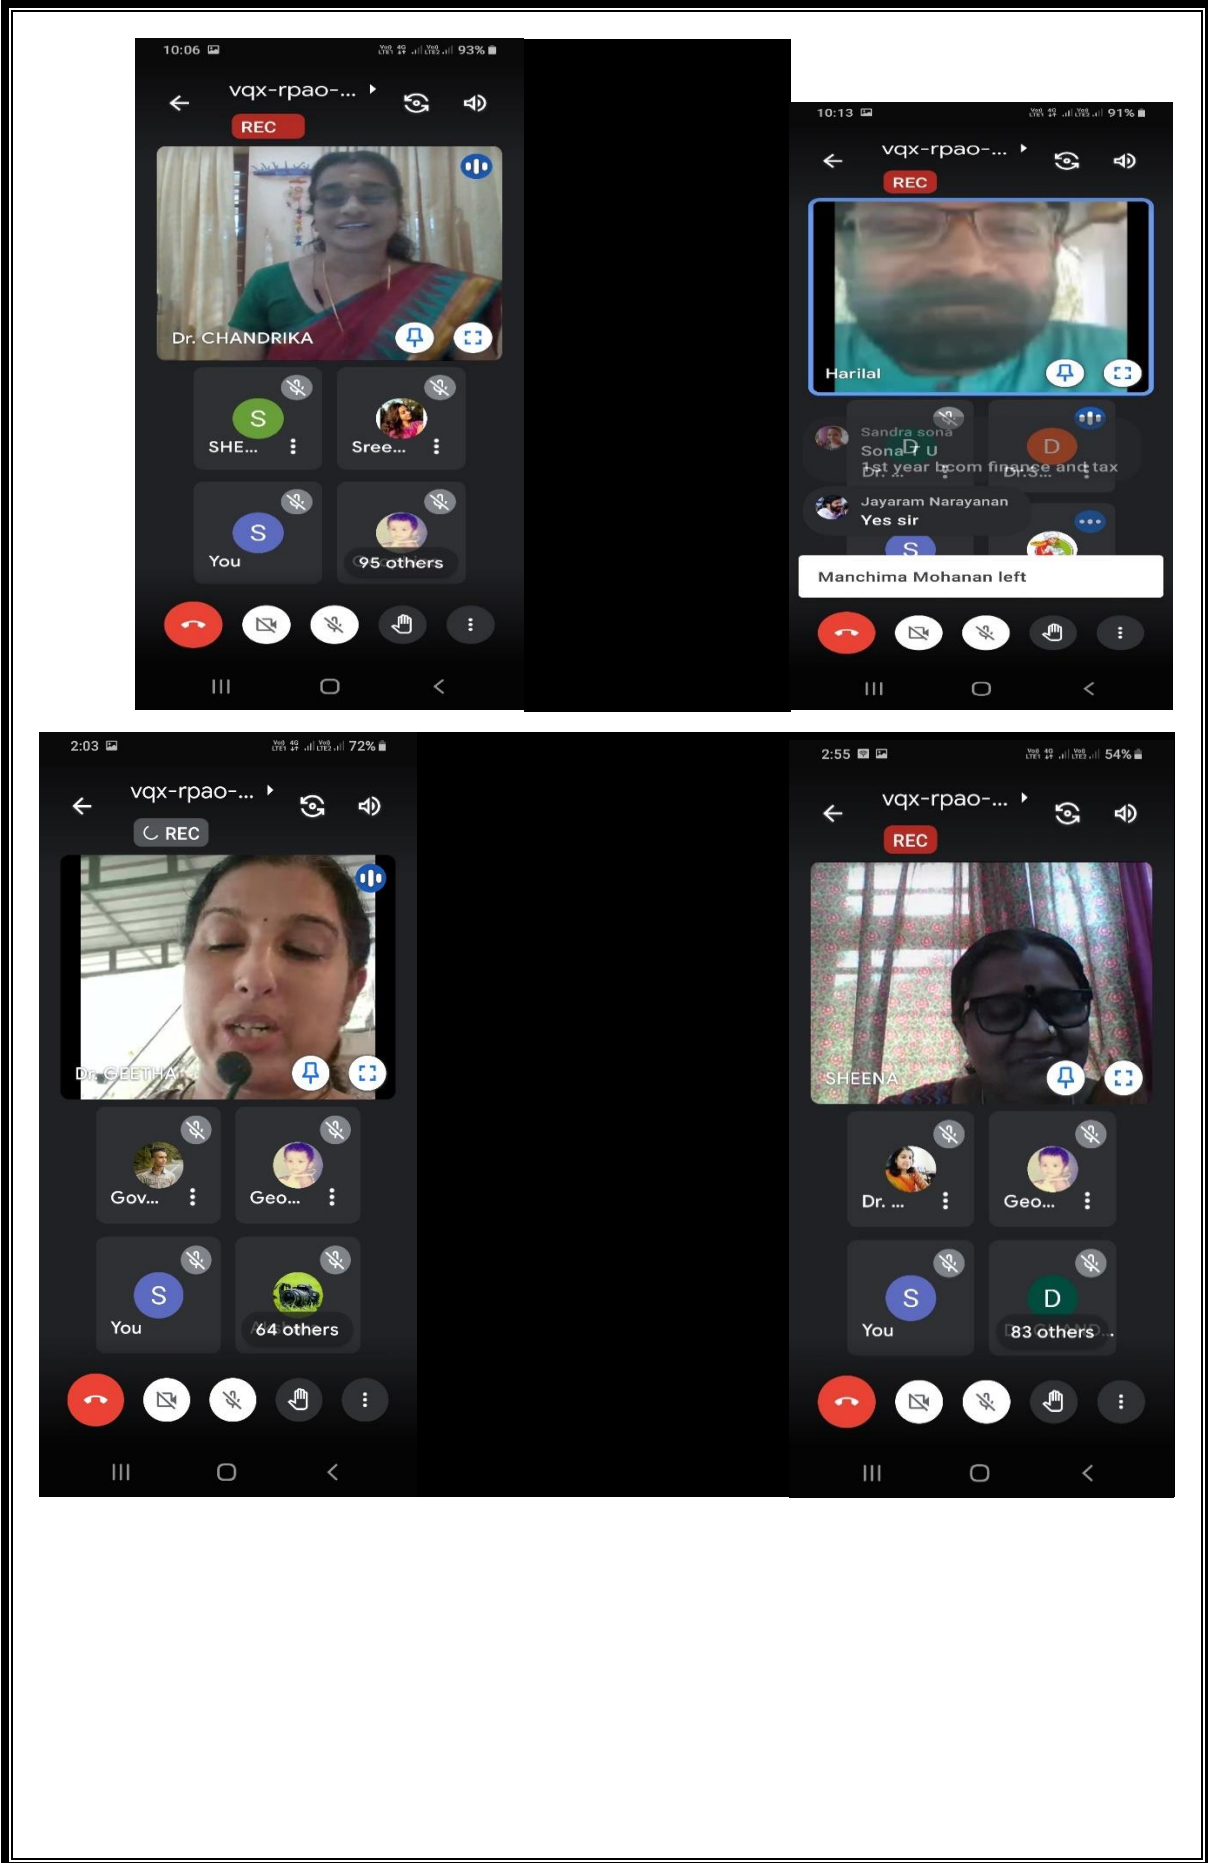

The programme for the day was divided into two sessions: morning and afternoon. The morning session was handled by Prof. Harilal T (former HOD of History Department and NSS Programme Officer of SSV College) and the afternoon session was handled by Prof. S. K. Krishnan (Manager of SSV College, Secretary of Sree Sankara Trust and former faculty of Economics Department).

The programme began at 10 am with the prayer song by Sreelakshmi Manoj (student of English Department). Dr. Chandrika V. N (faculty of English Department) welcomed everyone to the morning session. The event was graced by a very motivational talk by Prof. Harilal sir. He talked about how to be a good person and learn the lessons of life from family as well as from our college. The students gave their suggestions and opinions. This session ended at 12 pm with a vote of thanks by Geophine Georgie (student of English Department). The national anthem was sung by Sreelakshmi Manoj (student of English Department).

The afternoon session began at 2 pm with the introduction of Statutory bodies by Dr. Geetha A. N (faculty of English Department). Ms. Sheena Kaimal N (HOD of English Department) welcomed everyone. Later on Prof. S. K. Krishnan sir gave an inspirational talk. He advised us about finding an aim and working on it. The students gave their suggestions and opinions. This session ended at 4 pm with the vote of thanks by Geophine Georgie (student of English Department).

From 5pm to 6pm, it was time for the cultural programmes. Each department provided meeting links for students to join.

Day 4-10/10/2021

The fourth day of Deeksharambh was hosted jointly by the department of Economics and the department of mathematics. The morning session begins with a prayer by Pooja Binu followed by readings from The Holy books by Akshaya N A, Athila T A, Parvathy M V and Jithole Jose. Akhil P S of Final Year Economics welcomed the gathering.

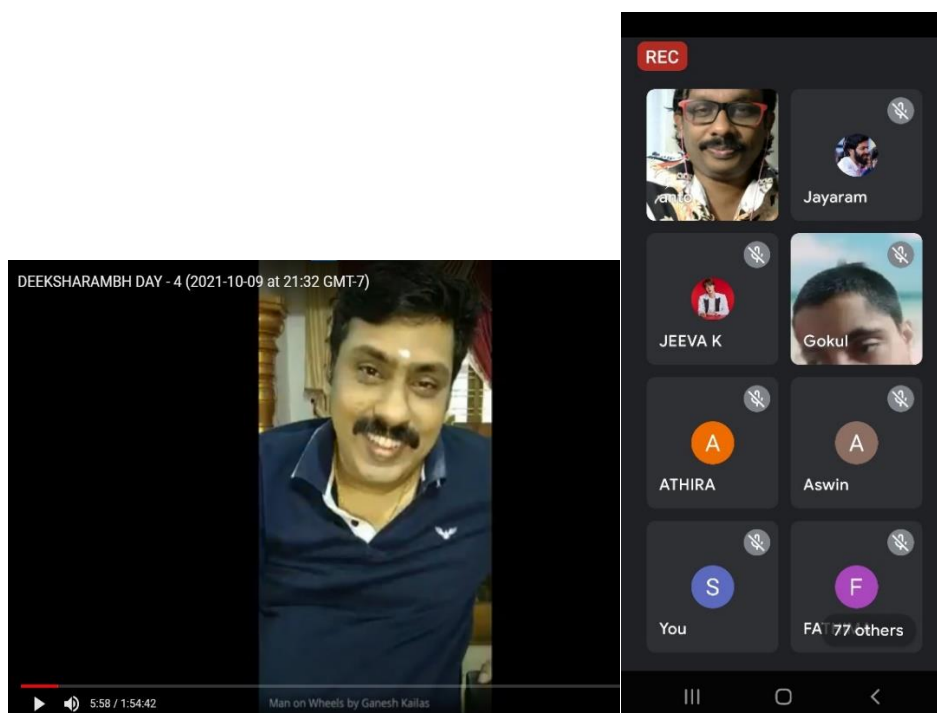

The Chief guest of the same day was Mr. Ganesh Kailash, a man with an iron will in wheels-a very inspiring, enthusiastic trainer known for his perseverance despite his physical challenges. The session was followed by an active interaction between the resource person and the participants.

A total of 165 participants including teachers and parents joined the session. The session ended up with the vote of thanks by Mrs. Rashmi K P, Head of the Department of Economics.

The afternoon session was handled by the department of Mathematics. The Welcome speech was delivered by Gokul Krishnan from third year BSc. Mathematics student. Comparing for the session was done by Kumari Arya Asokan.

The resource person for the session was Ando Michel, internationally certified trainer from Hay Institute, USA. The session was on stress crusher. It was a lively and motivating session. The vote of thanks was delivered by Krishnapriya of 2nd year BSc. Mathematics. The session ended at 4.30pm.

Day 5- 11-10-2021 (Monday)

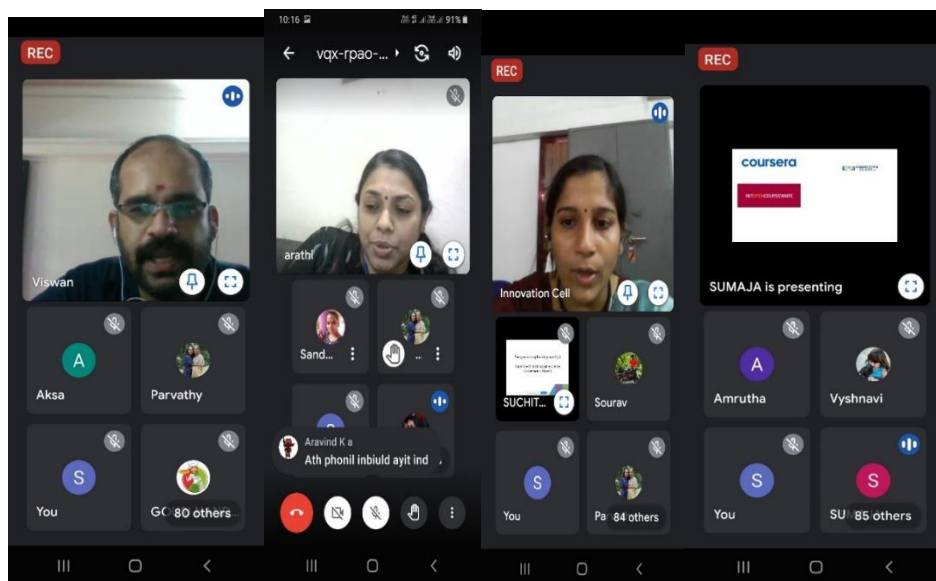

Deeksharambh-2021, Student Induction programme was conducted from

7th to 13th October 2021. On this fifth day, the programme started at 10' O clock with the prayer. Smt. Savitha E A, Assistant professor of P G Department of Commerce welcomed the resource person Smt. Arathy Ashok, Assistant Professor of School of Legal Studies, CUSAT and the participants. She clearly delivered the concept of Intellectual Property Right through an efficient interactive session with the students joined through google meet and in the you tube live streaming. She presented the topic in simple language to reach the message to all students. After the session, students cleared their doubts in the discussion session. First session of the day concluded by 11.50 with the vote of thanks delivered by Sri. Jayaram Narayan, Assistant professor of Department of Commerce. Almost 165 students attended the programme via google meet as well as YouTube live.

As we have planned, the afternoon session started at 2' o clock with the introduction of three main bodies functioning in the college, namely Institution Innovation Cell, Entrepreneurship Development Club, and Institution Innovation Development Cell (IIDC) by Dr. Suchitra A, Convenor and Assistant professor of Commerce. After the detailed presentation, students have cleared their doubts in the discussion session. This session was followed by the introduction of another three bodies namely, Unnat Bharat Abhiyan, Organic Club and Blood Donors Club actively functioning in our college. He has presented the aims, activities and functions of the club and invited interested students to participate in these bodies. Sri. Abhijith (B com Student) expressed the vote of thanks for the session. session concluded by 3.30 with national anthem. 168 students participated on Google Meet and in You Tube live streaming.

Day 6-12/10/2021

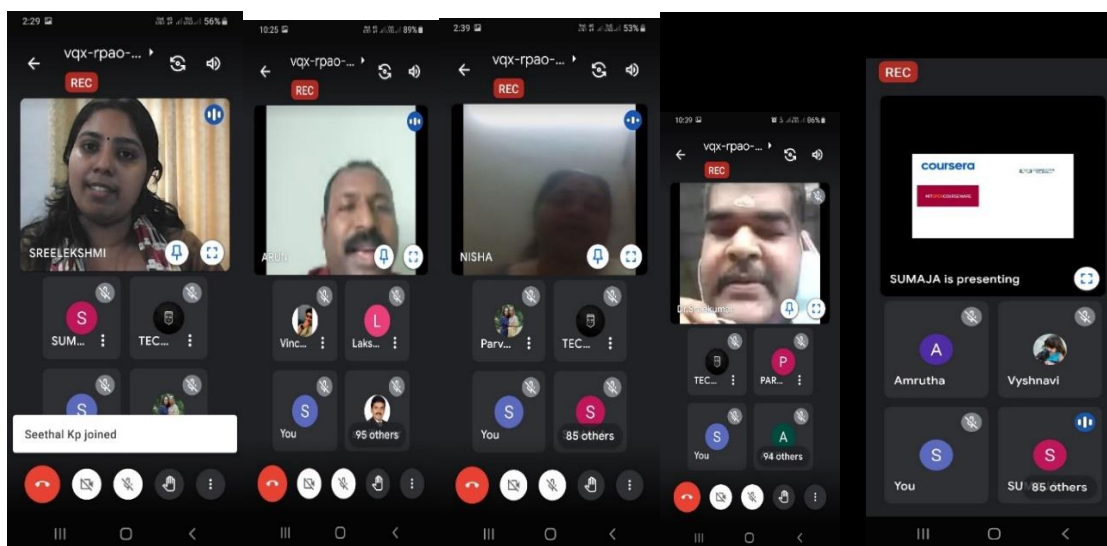

On the 6th day of Deeksharambh, the programme started at 10:00 a.m. The session was started with the prayer and the welcome address was delivered by Dr. Manusankar C, HOD, PG Department of Computer Science. The interaction with Alumnus were started with a video of prominent Alumnis, after that the session was handled by the Alumni executive members adv. N. Arun.

Dr. Sreekumar, Arun Vasu and many of the alumni shared their experience and clarify the doubts of the students. The session was very much interactive.

The afternoon session was started at 2 p.m. The session was to introduce NSS, clubs, forums and cells of the college. Sumaja Sasidharan, PG Department of computer science had given a clear idea about the value-added courses and various clubs in our institution. A talk was delivered by Sreelakshmi A R, Department of English about the career oriented and placement cell.

The introduction about the NSS was started with a video of different activities performed by NSS. The session was handled by Dr. Nisha Unnikrishnan and Jebin Jacob, program coordinators of NSS. After that a talk on 'Women in space and space history' were delivered by first year physics students. The day six program was concluded with a vote of thanks by Dr. Manusankar C, PG Department of Computer Science. Almost 110 students were attended the session through Google meet and YouTube live.

Day -7-13/10/2021

The concluding session of Deeksharambh was hosted by the Department of Hindi. The session begins with a prayer by the students of Hindi followed by welcome speech by Dr. Resmi R, IQAC Coordinator. The meeting was presided over by the college Principal Dr. Padma P followed by report presentation by Smt. Sumi K S, PTA secretary. Dr. Sudhakaran K M, M G University Syndicate Member was the chief guest of the day. Concluding remarks about the seven-day student Induction Programme was presented by Dr. Geetha A N, Assistant Professor, Department of

English. The programme ended up with the vote of thanks by Dr. Suchitra A, Assistant Professor, Department of Commerce.

One day Workshop on Introduction to Outcome based Education	
<i>Organised by IQAC</i>	
Date	18 th November 2021
Objective	The primary objective of the workshop was to familiarize faculty members with the concepts and practices of Outcome-Based Education, enabling them to align teaching and assessment methods with specific learning outcomes. The session aimed to enhance the quality of education and ensure that students achieve the desired competencies through a structured and outcome-oriented approach.
Beneficiaries	Faculty Members
Outcome	The workshop provided insights into effective assessment strategies that focus on evaluating students' attainment of specific learning outcomes, fostering a more transparent and objective evaluation process. Practical challenges associated with implementing OBE were discussed, and participants received guidance on overcoming these challenges through practical solutions.

The Internal Quality Assurance Cell (IQAC) and the Research Committee of Sree Sankara Vidyapeetom College jointly organized a workshop on "Outcome-Based Education." The virtual workshop, conducted via Google Meet, took place on November 18, 2021, and featured Dr. Anuroofa O M, Assistant Professor at Sree Sankara Training College, Kalady, as the esteemed resource person. The workshop aimed to provide faculty members with a comprehensive understanding of Outcome-Based Education (OBE) principles.

Objective

The primary objective of the workshop was to familiarize faculty members with the concepts and practices of Outcome-Based Education, enabling them to align teaching and assessment methods with specific learning outcomes. The session aimed to enhance the quality of education and ensure that students achieve the desired competencies through a structured and outcome-oriented approach.

The workshop commenced with an inaugural address by Dr. Resmi R, the coordinator of IQAC, who highlighted the significance of Outcome-Based Education in shaping a student-centric learning environment. Dr. Anuroofa O M, a distinguished expert in the field, then took the stage, providing an in-depth presentation on the principles, methodologies, and implementation strategies of OBE. 64 faculty members from the college participated in the session.

The session covered key aspects, including defining learning outcomes, designing curriculum and assessments, and aligning teaching strategies with the intended outcomes. Dr. Anuroofa O M engaged participants through interactive discussions, case studies, and examples, ensuring an immersive and participatory learning experience. Participants gained a clear understanding of the principles and philosophy behind Outcome-Based Education, emphasizing the importance of defining measurable learning outcomes. Dr. Anuroofa O M guided faculty members through the process of designing a curriculum that aligns with desired learning outcomes and mapping assessments to measure student achievement. The workshop provided insights into effective assessment strategies that focus on evaluating students' attainment of specific learning outcomes, fostering

a more transparent and objective evaluation process. Practical challenges associated with implementing OBE were discussed, and participants received guidance on overcoming these challenges through practical solutions.

Conclusion:

The workshop on Outcome-Based Education was well-received by the faculty members who actively participated in the discussions and activities. This workshop not only equips faculty members with the tools and knowledge needed to implement Outcome-Based Education but also contributes to the continuous enhancement of the college's academic practices.

Three Day Workshop on Effective Office Administration

*Organised by IQAC & PG Department of Computer Science in association
with Linways Technologies*

Date	16 th November 2021 to 18 th November 2021
Objective	To empower participants with the requisite skills and knowledge to navigate the evolving landscape of office administration
Beneficiaries	Non-Teaching Staff
Outcome	Enhanced knowledge among the office staff regarding effective office administration. Participants gained a deeper understanding of modern office management practices and their relevance in the contemporary work environment.

The 3-day workshop on effective office administration, organized by the Internal Quality Assurance Cell (IQAC) and the P G Department of Computer Science at Sree Sankara Vidyapeetom College, in collaboration with Linways Technologies Pvt Ltd, unfolded from November 16th to November 18th, 2021. The aim of the workshop was to enhance the skills and knowledge of participants in various aspects of office administration. The program aimed to provide a comprehensive understanding of modern office management practices, technology integration, and efficient organizational strategies. The workshop was designed to empower participants with the tools and techniques required for streamlined office operations.

The meticulously planned workshop commenced with an in-depth exploration of modern office management paradigms, emphasizing effective communication, collaboration, and time management. The second day shifted the focus towards technological integration,

introducing participants to cutting-edge solutions provided by Linways Technologies for streamlined document management and enhanced cybersecurity. The final day brought attention to strategies fostering efficient organizational workflows, with sessions on team building, leadership, and discussions on emerging trends in the realm of office administration.

The International Webinar on Race to Rescue with Geo Data

Organised by IQAC in association with TeraCom Limited UK

Date	27 th November 2021
Objective	To explore the cutting-edge applications of geo data in disaster response, share best practices, and promote international collaboration
Beneficiaries	146 students
Outcome	Participants became aware regarding the role that geo data plays in improving the speed and effectiveness of rescue operations during natural disasters

The International Webinar on Race to Rescue with Geo Data held on November 27, 2021, was a groundbreaking event that brought together experts from around the world to discuss the crucial role of geospatial data in disaster management and emergency response. It focussed on understanding geodata for environment challenges including climate change.

Introduction:

In recent years, the world has witnessed an increasing frequency and severity of natural disasters, from wildfires and hurricanes to earthquakes and pandemics. Managing and responding to these crises effectively has become a global imperative.

Geo data, including satellite imagery, GPS data, and geographic information systems (GIS), has emerged as a powerful tool in disaster management and response efforts. The International Webinar on Race to Rescue with Geo Data aimed to explore the cutting-edge applications of geo data in disaster response, share best practices, and promote international collaboration. Mr. Jagadish Vallarampara who is a met-ocean engineer by profession and the founder of Teracom Limited UK was the resource person of the program. The programme was organised on 27th November 2021 through zoom platform. 146 students and faculty members of the college participated in the session

The speaker highlighted the invaluable role of satellite technology in monitoring natural disasters. Real-time data from satellites can provide critical information for early warning systems, enabling faster and more effective responses to events such as wildfires, hurricanes, and floods. Geographic Information Systems (GIS) were discussed extensively as a tool for decision support during disasters. GIS can be used to map affected areas, assess infrastructure damage, and plan evacuation routes, among other applications. The role of geo data in studying and addressing the impact of climate change on disaster frequency and intensity was also a recurring theme. The International Webinar on Race to Rescue with Geo Data was a resounding success, fostering international collaboration and

knowledge sharing in the field of disaster management and response. The event highlighted the critical role that geo data plays in improving the speed and effectiveness of rescue operations during natural disasters. As the world continues to grapple with an increasing number of crises, leveraging geo data for better decision-making and community engagement

Two Day Workshop on Soft Skill Development

Organised by IQAC in association with Make Intern, E Cell of IIM Calcutta

Date	13-12-2021 to 14-12-2021
Objective	<ul style="list-style-type: none"> To enhance the soft skills of college students, including communication, teamwork, leadership, adaptability, and time management. To provide practical training and guidance to help students apply these skills in academic and professional contexts.
Beneficiaries	98 Students from Various Departments
Outcome	The participants gained a deeper understanding of essential soft skills and practical techniques to apply them effectively. They also exhibited improved communication skills, as demonstrated by their confidence in presentations and group discussions.

The Internal Quality Assurance Cell (IQAC) of Sree Sankara Vidyapeetom College, Valayanchirangara, organized a comprehensive two-day workshop on Soft Skill Development for the students. The workshop aimed to empower students with essential soft skills necessary for their holistic development and future career success.

Objectives

The primary objectives of the workshop were as follows:

- To enhance the soft skills of college students, including communication, teamwork, leadership, adaptability, and time management.
- To provide practical training and guidance to help students apply these skills in academic and professional contexts.

Workshop Sessions

Session 1: Introduction to Soft Skills (1 hours)

Definition and importance of soft skills.

Self-assessment of current skill levels.

Setting individual goals for skill development.

Session 2: Communication and Presentation Skills (2 hours)

Effective verbal and non-verbal communication.

Strategies for persuasive and engaging presentations.

Group activity: Mini presentations and feedback.

Session 3: Teamwork and Collaboration (1.5 hours)

Building strong teams and fostering collaboration.

Conflict resolution and negotiation skills.

Team-building activities.

Session 4: Leadership and Time Management (2 hours)

Leadership qualities and styles.

Time management techniques and goal setting.

Practical exercises on leadership and time management.

Session 5: Adaptability and Resilience (1.5 hours)

Adapting to change and handling setbacks.

Stress management techniques.

Case studies and group discussions.

Session 6: Networking and Professional Etiquette (1 hour)

Building a professional network.

Business etiquette and ethics.

Online networking and personal branding.

Session 7: Problem-Solving and Critical Thinking (2 hours)

Developing problem-solving skills.

Encouraging critical thinking and creativity.

Analyzing case scenarios and proposing solutions.

Session 8: Graduation and Beyond (1 hours)

Preparing for the transition from college to the professional world.

Resume building and interview skills.

Closing remarks and certificates of participation.

The "Soft Skill Development" workshop yielded several significant outcomes. The participants gained a deeper understanding of essential soft skills and practical techniques to apply them effectively. They also exhibited improved communication skills, as demonstrated by their confidence in presentations and group discussions. Team-building exercises and conflict resolution strategies contributed to better collaboration among participants. Students developed leadership qualities and strategies for managing their time more effectively.

Conclusion

The "Soft Skill Development" workshop organized by IQAC at Sree Sankara Vidyapeetom College, Valayanchirangara, was a resounding success. It achieved its objectives of enhancing students' soft skills, providing practical training, and creating an interactive learning environment. The positive feedback and demonstrated improvements in participants' skills underscore the workshop's effectiveness in preparing students for both their academic journey and future professional endeavors. Future workshops and ongoing skill development initiatives are recommended to further empower students in their personal and career growth.

PERSPECTIVES OF OUTCOME BASED EDUCATION IN PEDAGOGY

ABOUT THE ORGANISERS:

Scheme for Trans-disciplinary Research for India's Developing Economy (STRIDE) launched by UGC in 2019 provides support to research projects that are socially relevant, locally need-based, nationally important and globally significant. STRIDE supports capacity building as well as basic, applied and transformational action research that can contribute to national priorities with focus on inclusive human development.

Mahatma Gandhi University, ranking 154 among Asian Universities is a premier educational institution that strives to fulfil the higher educational needs of the people from Central Kerala. It imparts education in the interdisciplinary as well as conventional disciplines. The University is well known for wide variety of specializations at the Under graduate, Post graduate and Professional programmes through its affiliated colleges keeping pace with industry and market requirements.

Sree Sankara Vidyapeetom College, founded five decades ago and named after Sree Sankaracharya, the great visionary, is situated in Irapuram, a remote serene village about 30 kilometres from the sprawling city of Cochin. Away from towns and traffic-ridden highways, our campus boasts of a perfect learning atmosphere.

ABOUT THE FDP

Outcome Based Education (OBE) has gained significant importance in higher education since its introduction in the early 90's. Through this FDP, participants will be acquainted with innovative pedagogical practices and learning methods based on OBE with a focus on curriculum design and question setting, Bloom's taxonomy, designing learning outcomes, computing and mapping of course & programme outcomes.

COURSE CERTIFICATE WILL BE ISSUED TO SUCCESSFUL PARTICIPANTS WHICH WILL BE BENEFICIAL FOR CAREER ADVANCEMENT, UNDER UGC REGULATIONS

DUTY CERTIFICATES WILL BE PROVIDED AS PER REQUEST IN REGISTRATION FORM

4.EXTENSION ACTIVITIES OF THE COLLEGE

The extension activities of our college stand as a vibrant testament to our commitment to societal engagement and community enrichment. Designed to bridge the gap between academic learning and real-world impact, these initiatives serve as channels for our students and faculty to actively participate in addressing pressing societal issues and fostering positive change. Through a diverse array of programs encompassing community outreach, volunteerism, advocacy, and collaborative partnerships, we strive to empower our students with the tools and experiences needed to become socially responsible citizens. Our dedication to extension activities reflects our belief in the transformative power of education beyond the confines of classrooms, aiming to instil a sense of civic responsibility, empathy, and leadership among our students while making meaningful contributions to the wider community.
