Beneficiaries	109 First year UG students
Venue or Platform	P.N Namboothiri hall
Feedback link	
Organising dept/ Cell	Counselling cell
Coordinator	Anju Paul
Associating Agency	Nil
Name of the Scheme	Nil
Fund details if any	Nil
Outcome/ Benefit of the programme	Students gained a deeper understanding of the intricate relationship between our biological makeup and the environments we encounter.

PROGRAMME REPORT

The Capacity building and Skill enhancement initiative “Behaviour: Nature and nurture” for first year UG students organized by the Counselling cell

was conducted on 8th February 2023.

On 8th February 2023, Counselling cell of SSV College, Valayanchirangara organized one day seminar on “Behaviour: Nature and nurture”. The seminar was organised with an aim to help the students to explore the fascinating and complex interplay between innate traits (nature) and environmental influences (nurture) in shaping human behavior. About 109 students participated in the programme. Dr Geetha A.N, Faculty, Department of English welcomed everyone who had gathered at the occasion. College principal, Dr Sheena Kaimal N inaugurated the event. Chief guest, Smt Smitha Kodanat discussed the different issues faced by the current student society. Students actively participated in the question answer session too. The interactive mode of presentation created much interest among the students. The seminar helped the students in understanding the intricate relationship between our biological makeup and the environments we encounter. Recognizing the interplay of nature and nurture can lead to greater empathy, improved decision-making, and more effective strategies for personal growth and societal development.

During the concluding ceremony of the programme, Smt. Smitha Kodanat appreciated the active participation of the students. The students have given positive feedback about the programme. Programme coordinator, Smt. Anju Paul gave away the vote of thanks for the participants.
