## PROGRAMME REPORT

Institutional Innovation Council, Sree Sankara Vidyapeetom College in association with Entrepreneurship development club organized a seminar on Exploring Entrepreneurial Career Avenues. The objective of this programme was to increase the entrepreneurial skill and knowledge and to make the students aware of the different start-up ideas and the various ways to raise finance for investment. The seminar was led by Varun P Nair, CEO, Infiniz IT Solutions, Kochi.

The first session dealt with the importance of entrepreneurship development. The seminar commenced with an overview of entrepreneurship, emphasizing the importance of innovation, creativity, and resilience in the entrepreneurial journey. The theme of the seminar mainly focused on the scope and importance of undertaking investments for future generations. The students were provided with several study materials. The number of participants was 30. The second session dealt with the vast career opportunities open to the students to enter into. It was an activity oriented session in which 30 students and 12 faculty members participated.

Activities were conducted in groups and for this the students were divided into different groups on the basis of their area of interest. Theme based group discussions were conducted to innovate new investment ideas of students and they were asked to present it. Counseling was also given to the students to direct them in choosing their career. The participants acquired knowledge about various funding sources, enabling them to make informed decisions about financing their ventures. The seminar explored the various aspects of entrepreneurship as a career choice, shedding light on its advantages, challenges, and the

essential skills required for success.
