PROGRAMME REPORT

The online seminar on Startup **journey-issues and challenges** for students and Faculty organized by Institution Innovation Council in association with IEDC and EDC was conducted on 20-06-2020. The session started with the coordinator of the programme welcoming the resource person and giving a brief introduction of the resource person. The event aimed to provide participants with a comprehensive understanding of the startup landscape, focusing on the opportunities available, common issues and challenges faced, and best practices for overcoming these hurdles.

The session of the day was handled by Mr. Varun P Nair who is the founder and MD of Infiniz I T Solutions. He handled the issues and challenges involved in a start-up. Mr. Varun P Nair discussed the current trends and opportunities in the startup ecosystem, gave insight into emerging technologies and markets. He has discussed in detail about the real world challenges faced by successful startups, financial, regulatory and operational challenges. He has also briefed the best practices and strategies to overcome the challenges.

The resource person has explained in detail about the different stages of a startup from idea conceptualization to scaling, common challenges faced by startups and strategies for overcoming them. Participants have submitted their doubts and questions through the chat box of the online platform and the resource person was able to address the most relevant questions. The participants found the session to be highly interactive and inspiring, providing information in the field of entrepreneurship.
