PROGRAMME REPORT

IIC, IEDC and ED club of Sree Sankara Vidyapeetom college, Valayanchirangara conducted a seminar on Addressing issues and challenges in Innovation and Entrepreneurship. The resource person for this session was Dr. Sherin Sam Jose. He is the executive officer of Start-ups Valley Amal Jyothi TBI and Professor at Amal Jyothi College of Engineering. The programme was conducted on 2nd December 2020.

The primary objective of the seminar was to provide participants with a comprehensive understanding of the key concepts, issues and challenges related to innovation and entrepreneurship. The seminar aimed to inspire and equip individuals with the skills and mindset necessary to foster innovation and create successful entrepreneurial ventures.

The session started with a welcome address and introduction of the resource person by the coordinator. The resource person has given an introduction to entrepreneurship and its significance, how to identify entrepreneurial opportunities and the basics of business planning and development.

He shared the various sources of funds available for student and institutional start-ups. He also explained the process of Technology Business Incubators (TBI) and how it works. He has explained the possible investor connections such as angel investors, venture capitalists, and other funding sources. The final session concluded with the details of available assistance in fundraising and programmes helping startups prepare for and navigate the fundraising process, including pitch development and connecting with potential investors.
