<b>Outcome/ Benefit of the programme</b>	Students have gained insight into the different aspects of Intellectual Property Rights and its relevance in the modern world.

### PROGRAMME REPORT

The seminar (online) on the Relevance of Intellectual Property Rights in the Digital Age for first-year degree students was conducted on 10th September 2021. The event was organized collaboratively by the Institution Innovation Council, in association with the Innovation and Entrepreneurship Development Cell (IEDC) and the Entrepreneurship Development Cell (EDC). Ms. Arathi Ashok, Assistant Professor, IPR, School of Legal

Studies was the resource person. Her expertise in the field made her an ideal guide for the students seeking an introduction to the complex world of intellectual property.

Ms. Arathi Ashok began the seminar by emphasizing the relevance of Intellectual Property Rights in the contemporary world. She highlighted how IPR serves as a crucial framework for protecting intellectual creations and innovations, playing a pivotal role in various sectors.

An interactive session allowed participants to actively engage with Ms. Arathi Ashok. Students were encouraged to ask questions and share their thoughts, fostering a dynamic discussion on the intricacies of Intellectual Property Rights.

A significant aspect of the seminar involved a detailed explanation of the steps involved in filing a patent. Ms. Arathi Ashok guided participants through the patent application process, providing clarity on documentation, requirements, and legal considerations. The participants had an active discussion with the resource person and clarified their doubts about the different steps involved in filing a patent. The seminar was helpful in imparting knowledge about the relevance of IPR , the latest developments in IPR and the importance of IPR in protecting creations and innovations.
