Report on Workshop on Preparation of Natural Veg-wash and Non-veg wash

Programme Details in a nutshell	
Name of the Event	Preparation of Natural Veg-wash and Non-veg wash
Nature of the Event	Entrepreneurship
Objectives	To instill entrepreneurial thinking and problem-solving skills among chemistry students. To impart knowledge about the chemistry of natural ingredients suitable for vegetable washing.
Resource person	Sri. Bineesh Sivan
Date and Time	19-11-2021, 10.30 a.m.- 03.30 p.m.
Beneficiaries	Students
Platform	Chemistry laboratory
Organising dept/ Cell	Department of Chemistry, Youth Red Cross Society (YRCS) and Swachh Bharath Abhiyan
Coordinator	Smt. Poornima M P
Outcome/ Benefit of the programme	The workshop helped the students in developing entrepreneurial skills

PROGRAMME REPORT

A jointly organized workshop on the preparation of natural veg & non-veg wash was conducted by the Post Graduate Department of Chemistry with Swachhta action plan and the Youth Red Cross Society of Sree Sankara Vidyapeetom College under the guidance of Sri. Bineesh Sivan, Head of R&D Xyone research and R&D formulation consultant of new products.

The workshop on the preparation of natural veg & non-veg wash was organized with the primary objective of promoting entrepreneurial skills among chemistry students. The event aimed to provide students with practical knowledge and hands-on experience in developing a natural and eco-friendly product, fostering creativity, and encouraging entrepreneurial thinking. The workshop included theoretical sessions, practical demonstrations, and interactive activities to enhance the participant's understanding of the chemical processes involved in creating a natural vegetable wash.

The workshop started with a theoretical session on introduction to natural ingredients with antimicrobial properties suitable for vegetable wash, overview of chemical processes involved in formulating an effective natural veg wash and discussion on sustainable and eco-friendly practices in product development.

The practical session provided participants hands-on sessions to prepare natural vegetable wash under expert guidance. Students have prepared natural veg-wash and non-veg-wash and filled in separate bottles and properly labeled. The prepared natural wash for vegetables and non-veg items were later distributed among the faculty and nearby stores.
