PROGRAMME REPORT

The Institution Innovation Council of S.S.V college organized a seminar in online mode for orienting the first year students on 05-01- 2022 in online mode. The main aim of

the session was to make them aware about the various activities initiated under IIC and emphasize its significance in Higher Education Institutions (HEIs). The session was conducted in an online mode, ensuring accessibility for all first-year students. Dr. Suchitra A, Innovation Ambassador and the Faculty in the Department of Commerce delivered the session.

The session started with an introduction to the Institution Innovation Council (IIC) and its role in fostering innovation within the college. She has given an overview of the various initiatives and activities undertaken by IIC to promote creativity and entrepreneurship among students. The resource person also explained the importance of innovation in Higher Education Institutions and its impact on personal and professional development. Dr. Suchitra also discussed the success stories and case studies of innovation within the college and similar educational settings. She has also explained the opportunities and benefits for students participating in IIC activities.

The session was very lively and interactive. 114 students from various departments participated in the session. The orientation session on IIC proved to be a success, achieving its goal of familiarizing first-year students with the institution's innovation initiatives. The interactive nature of the session ensured that students not only gained knowledge about IIC but also felt motivated to actively participate in upcoming innovation activities. The session played a crucial role in setting the tone for a culture of innovation and entrepreneurial spirit within S.S.V College.
