## PROGRAMME REPORT

The seminar on Sustainable Entrepreneurship was given by Dr. Suchitra A and Dr. Sreekala S Sharma, Institution Innovation Ambassadors of IIC on 07-03-2022. The primary objective of the seminar was to promote and enhance sustainable entrepreneurship and

innovation in participants, providing them with insights into the key principles, practices and tools in entrepreneurship necessary for success in entrepreneurship.

The session started with defining the concept of sustainable entrepreneurship, the role of innovation in the growth of business. The resource persons have also discussed in detail about the techniques and the various funding sources available for setting up startups under state and central government schemes.

The orientation was conducted as a workshop enabling interactive discussions and participation. The session started with a brief introduction of the functions of the various cells and clubs (IIC,IEDC,EDC) promoting innovation and entrepreneurship among students and faculty.

The participants were asked to give innovative ideas and suggestions to solve problems of waste management, plastic pollution etc. Overall the session helped in developing critical thinking skills, participants learned how to identify problems in their immediate surroundings and design studies that address these problems effectively.
