PROGRAMME REPORT

The workshop on Prototype design and development-prototyping was conducted in online mode (Google meet) on 22-06-2022 from 10.00 a.m. to 04.00 p.m. Harish Mohan Product designer, Brand Identity Designer, Mentor, Design Partner of various reputed companies like ESPN Digital media, E -Guidance lab LPP etc. was the resource person for the session.

Harish Mohan initiated the session with a comprehensive introduction to prototyping, covering various techniques widely used in the industry. Drawing from his extensive experience, Harish Mohan shared real-world examples, giving participants a practical understanding of the importance of prototyping.

The inclusion of hands-on activities allowed participants to translate theoretical knowledge into practical skills, fostering a deeper understanding of prototype design. Feedback from participants indicated a high level of satisfaction, particularly appreciating the interactive nature of the workshop.

The resource person later explained the importance of prototyping in making a product attractive and user friendly. The workshop was successful with inclusion of hands- on activities where participants were able to create prototypes using different prototype materials and methods. The Prototype Design and Development workshop, led by Harish Mohan, not only provided a theoretical foundation but also allowed participants to actively participate and apply their knowledge in a practical setting.
