

## CAREER GUIDANCE AND PLACEMENT CELL

ANNUAL REPORT 2015 - 2016

Career Guidance and Placement Cell at SSV College is continuing as an effective institutional arrangement primarily aimed to train and place our both U.G. and P.G final year students in the best known corporate entities all over India. Career Guidance and Placement Cell of SSV College has organised 3 training sessions this year including the session from University Employment Beuro under Govt. of Kerala.

### CAMPUS DIRECT RECRUITMENT

Campus Direct Recruitment for this academic year started in the month of December. We are waiting for other offer letters to come. This year apart from companies visiting this campus we made arrangements with the Employability Centre Government of Kerala for providing training and support to all the final year students of the college.

### PLACEMENT DRIVE

Our students were referred to 4 placement drives conducted at different colleges and 10 drives conducted at the Employability centre, at Ernakulam Collectrate. 1 student was selected by Wipro in placement drive conducted at Naipunya College.

### DATA OF THE PASSED OUT STUDENTS

As many as 20 companies have received from us the database of the passed out students. Due to this our students of the previous year were approached by various companies and got placed. Apart from all the above ventures we have been regularly displaying the information and personally help students get part time jobs in order help them meet their educational needs. It is heart-warming to record here that all the departments have realized the need to train and place students at their departments level also along with the Career Guidance and Placement Cell, so several new programmes are being planned to improve the soft and technical skills of the students. The placement process for this year is not yet complete.

Company / Organization	No. of Students
Wipro	1
